March 27, 2013, and rebuttal comments on April 1, 2013. As explained in the memorandum from the Acting Secretary for Enforcement and Compliance, the Department has exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from October 1, through October 16, 2013. Therefore, all deadlines in this segment of the proceeding have been extended by 16 days. The revised deadline for the final reconsideration of this CCR is now December 11, 2013.

Scope of Order

The merchandise that is subject to the order is certain frozen warmwater shrimp from the PRC. The products subject to the order at the time of this CCR was originally conducted were classified under U.S. Harmonized Tariff Schedule (‘‘HTSUS’’) subheadings 0306.13.00.03, 0306.13.00.06, 0306.13.00.09, 0306.13.00.12, 0306.13.00.15, 0306.13.00.18, 0306.13.00.21, 0306.13.00.24, 0306.13.00.27, 0306.13.00.40, 1605.20.10.10, and 1605.20.10.30. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise remains dispositive.

Analysis of Comments Received

All issues raised in case and rebuttal briefs are addressed in the Final Reconsideration Memorandum. A list of the issues which parties have raised, and to which we have responded in the Final Reconsideration Memorandum, is attached to this notice as an Appendix. The Final Reconsideration Memorandum is a public document on file electronically via the Department’s Antidumping and Countervailing Duty Centralized Electronic Service System (‘‘IA ACCESS’’). IA ACCESS is available to registered users at http://iaaccess.trade.gov and in the Central Records Unit, room 7046 of the main Department of Commerce building. In addition, a complete version of the Final Reconsideration Memorandum can be accessed directly on the Internet at http://enforcement.trade.gov/fcm/. The signed Final Reconsideration Memorandum and the electronic versions of the Final Reconsideration Memorandum are identical in content.

Final Reconsideration

For the reasons detailed in the Final Reconsideration Memorandum, we continue to find that Hilltop is not the successor-in-interest to Yelin and is considered part of the PRC-wide entity. In making this determination we have relied on adverse facts available, in accordance with section 776(a) and (b) of the Tariff Act of 1930, as amended (‘‘the Act’’).

Instructions to U.S. Customs and Border Protection

As a result of this determination, we revoice our previous successor-in-interest determination and find that Hilltop is not the successor-in-interest to Yelin. Although the reconsidered CCR precedes several administrative reviews in which Hilltop was involved, we note that this finding is consistent with the most recently completed seventh administrative review, in which Hilltop was determined to be part of the PRC-wide entity. Hilltop is currently subject to the cash deposit requirements applicable to the PRC-wide entity, which is 112.81 percent. We also note that this finding is consistent with the Department’s most recent findings in the fourth, fifth, and sixth administrative reviews, in which Hilltop was found to be part of the PRC-wide entity. Thus, Hilltop’s current cash deposit requirement shall remain in effect until further notice.

Notification

This notice serves as a reminder to parties subject to administrative protective order (‘‘APO’’) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.306. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

We are issuing and publishing this notice in accordance with sections 751(b)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.216 and 351.221(c)(3).
