SUPPLEMENTARY INFORMATION:

A. Name Change of one FOA: ANA proposes to change the name of the program titled "Native American Language Preservation and Maintenance—Esther Martinez Initiative" (HHS-2014-ACF-ANA-NL-0780) to "Native American Language Preservation and Maintenance—Esther Martinez Immersion." The FOA will retain the same acronym "EMI." This proposed change is to address the fact that EMI is no longer a temporary initiative, but an ongoing program in which immersion is a key goal.

B. Administrative Policies: ANA proposes to clarify the conflict of interest standards published in the 2013 FOAs [announced in 78 FR 13062–13067] to ensure it aligns with the rule at 45 CFR 1336.50(f), which authorizes the Office of Chief Executive of a federally-recognized Indian tribal government to be paid salary and expenses with ANA grant funds, provided such costs are related to a project funded under ANA FOAs and that the costs exclude any portion of salaries and expenses that are a cost of general government. Given this rule regarding the allowable use of grant funds, we propose a limited exception to previously published conflict of interest standards which did not include the regulatory exception applicable to the Chief Executive of federally recognized Indian tribes.

Conflict of Interest Standards

Under the standard terms and conditions for discretionary HHS awards (Grants Policy Statement, page II-7 at <https://www.acf.hhs.gov/grants/terms-and-conditions>), grant recipients are required to establish safeguards to prevent employees, consultants, members of governing bodies and others who may be involved in grant-supported activities from using their positions for purposes that are, or give the appearance of being, motivated by a desire for private financial gain for themselves or others, such as those with whom they have family, business, or other ties. Therefore, with one exception, staff employed through an ANA-funded project cannot also serve as a member of the governing body for the
