While there may be some instances where AAAHC’s standards differ from those of other recognized accrediting entities, AAAHC has met the criteria to be recognized by HHS based on our standards in § 156.275(c). We believe there is a sufficient number of measures applicable to children included in the proposed clinical quality metrics and further note that the AAAHC’s measure set is identical to the set used by a different HHS-recognized accrediting entity (that is, URAC). Lastly, the accreditation standards are proprietary documents and we have not required any of the recognized accrediting entities to make their standards public. Therefore, we cannot require AAAHC to make their standards public.

In addition, we have previously indicated that we may, at a later date, modify the recognition process of accrediting entities and will solicit comments on any proposed future rulemaking that time.

IV. Provisions of the Final Notice

Upon completion of our analysis, including evaluation of comments received as a result of the proposed notice, we have determined that the AAAHC meets the requirements and criteria described in the July 20, 2012 final rule, titled “Data Collection To Support Standards Related to Essential Health Benefits: Recognition of Entities for the Accreditation of Qualified Health Plans” (77 FR 42658) to be recognized as an accrediting entity. This final notice acknowledges the approval of AAAHC’s application. The AAAHC is now recognized by the Secretary of HHS 4 as an accrediting entity for the purposes of QHP certification.

V. Collection of Information Requirements

This document does not impose information collection and recordkeeping requirements. Consequently, it need not be reviewed by the Office of Management and Budget under the authority of the Paperwork Reduction Act of 1995.

Dated: December 17, 2013.

Marilyn Tavenner, Administrator, Centers for Medicare & Medicaid Services.

[^4]: Delegated to CCIIO, 76 FR 53903 through 53906 (August 30, 2011).
hereby given of a meeting of the NIH Advisory Board for Clinical Research.

The meeting will be open to the public as indicated below, with attendance limited to space available. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the Contact Person listed below in advance of the meeting.

The meeting will be closed to the public in accordance with the provisions set forth in section 552b(c)(9)(B), Title 5 U.S.C., as amended because the premature disclosure of discussion of personnel matters and the discussions would likely to significantly frustrate implementation of recommendations.

DEPARTMENT OF HEALTH AND HUMAN SERVICES
National Institutes of Health
National Institute of General Medical Sciences; Notice of Meeting
Pursuant to section 10(d) of the Federal Advisory Committee Act, as amended (5 U.S.C. App.), notice is hereby given of a meeting of the National Advisory General Medical Sciences Council. The meeting will be open to the public as indicated below, with a short public comment period at the end. Attendance is limited by the space available. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the Contact Person listed below in advance of the meeting. The open session will also be videocast and can be accessed from the NIH Videocasting and Podcasting Web site (http://videocast.nih.gov/).

The meeting will be closed to the public in accordance with the provisions set forth in sections 552b(c)(4) and 552b(c)(6), Title 5 U.S.C., as amended. The grant applications and the discussions could disclose confidential trade secrets or commercial property, such as patentable material, and personal information concerning individuals associated with the grant applications, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.
