requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read as follows:

2. Add § 165.841 to read as follows:

§ 165.841 Safety Zone; Barge Launches; Gulfport Lake; Gulfport, MS.

(a) Location. The following area is a safety zone: Gulfport Lake, to include all waters between an eastern boundary represented by positions 30°25’37.2” N, 089°03’09.7” W to 30°25’27.0” N, 089°03’09.7” W and a western boundary represented by positions 30°25’35.4” N, 089°03’45.7” W to 30°25’28.8” N, 089°03’45.7” W.

(b) Effective period and enforcement dates. This safety zone is effective immediately on December 24, 2013 and enforceable through actual notice beginning November 8, 2013. The CotP Mobile or a designated representative will inform the public through broadcast notice to mariners of enforcement periods for the safety zone, giving at least 24 hour notice before enforcement begins. Enforcement periods are expected to occur once a month for approximately two (2) hours.

(c) Regulations.

(1) In accordance with the general regulations in § 165.23 of this part, entry into this zone is prohibited unless authorized by the Captain of the Port Mobile or a designated representative.

(2) Persons or vessels desiring to enter into or passage through the zone must request permission from the Captain of the Port Mobile or a designated representative. They may be contacted on VHF-FM channels 16 or by telephone at 251–441–5976.

(3) If permission is granted, all persons and vessels shall comply with the instructions of the Captain of the Port or designated representative.

(d) Informational broadcasts. The Captain of the Port or a designated representative will inform the public through broadcast notices to mariners of the enforcement period for the safety zone as well as any changes that may occur.

Dated: November 7, 2013.

S. Walker,
Captain, U.S. Coast Guard, Captain of the Port Mobile.

33 CFR Part 165

[Docket No. USCG–2013–0992]

RIN 1625-AA00

Safety Zone; Allied PRA—Solid Works, San Diego Bay; San Diego, CA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone on the navigable waters of the San Diego Bay in support of a fireworks display on the evening of January 28, 2014. The zone is necessary to provide for the safety of the participants, crew, spectators, participating vessels, and other vessels and users of the waterway. Persons and vessels are prohibited from entering into, transiting through, or anchoring within this safety zone unless authorized by the Captain of the Port or his designated representative.

DATES: This rule is effective from 9 p.m. to 10 p.m. on January 28, 2014.

ADDRESSES: Documents mentioned in this preamble are part of docket [USCG–2013–0992]. SUPPLEMENTARY INFORMATION:

Table of Acronyms:

A. Regulatory History and Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because an NPRM would be impracticable. The Coast Guard received less than 60 days notice for this event. As such, the Coast Guard did not have time to follow standard notice and comment procedures.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the Federal Register. Delaying the effective date would be contrary to the public interest because immediate action is needed to ensure the public’s safety.

B. Basis and Purpose

The Ports and Waterways Safety Act gives the Coast Guard authority to create and enforce safety zones. The Coast Guard is establishing a temporary safety zone from 9 p.m. to 10 p.m. on January 28, 2014 on a portion of the navigable waters of the San Diego Bay for the Allied PRA—Solid Works fireworks display, which will be conducted from a barge located southwest of Embarcadero Park South in San Diego Bay. The safety zone will include all the navigable waters within 600 feet of the nearest point of the barge, which will be located in the following approximate position: 32°42.13’N, 117°10.01’W. The sponsor will provide a tug boat to patrol the safety zone and inform vessels of the safety zone. This safety zone is necessary to provide for the safety of the crew, spectators, and other vessels and users of the waterway.

C. Discussion of the Final Rule

The Coast Guard is establishing a safety zone that will be enforced from 9 p.m. to 10 p.m. on January 28, 2014. The limits of the safety zone will include all
the navigable waters within 600 feet of the nearest point of the fireworks barge in approximate position: 32°42.13′N, 117°10.01′W, located southwest of Embarcadero Park South in San Diego Bay.

The safety zone is necessary to provide for the safety of the crews, spectators, and other vessels and users of the waterway. Persons and vessels will be prohibited from entering into, transiting through, or anchoring within the safety zone unless authorized by the Captain of the Port, or his designated representative. The temporary safety zone includes a portion of waters in the San Diego Bay. Before activating the zone, the Coast Guard will notify mariners by appropriate means including but not limited to Local Notice to Mariners and Broadcast Notice to Mariners.

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on these statutes and executive orders.

1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders. We expect the economic impact of this rule to be so minimal that a full Regulatory Evaluation is unnecessary. The safety zone is of a limited duration, no more than 60 minutes, and is limited to a relatively small geographic area at a time when vessel traffic is low. Additionally, before the effective period, the Coast Guard will publish a Local Notice to Mariners and just prior to and during a marine information broadcast.

2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601–612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated, and not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

(1) This rule will affect the following entities, some of which may be small entities: the owners or operators of vessels intending to transit or anchor in the impacted portion of the San Diego Bay from 9 p.m. to 10 p.m. on January 28, 2014.

(2) This safety zone will not have a significant economic impact on a substantial number of small entities for the following reasons: The safety zone will only be in effect for no more than a 60 minute period, late in the evening when vessel traffic is low. Furthermore, vessel traffic can transit safely around the safety zones while the zones are in effect.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the FOR FURTHER INFORMATION CONTACT, above.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the FOR FURTHER INFORMATION CONTACT section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of $100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.
12. Energy Effects

This action is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves establishment of a safety zone. This rule is categorically excluded from further review under paragraph 34(g) of Figure 2–1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under ADDRESSES. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

§ 165.1–612 Safety zone; Allied PRA–Solid Works; San Diego, CA.

(a) Location. The limits of the safety zone will include all the navigable waters within 600 feet of the nearest point of the fireworks barge in approximate position 32°42.13’N, 117°10.01’W.

(b) Enforcement Period. This section will be enforced from 9 p.m. to 10 p.m. on January 28, 2014. If the event concludes prior to the scheduled termination time, the Captain of the Port will cease enforcement of this safety zone and will announce that fact via Broadcast Notice to Mariners.

(c) Definitions. The following definition applies to this section: designated representative means any commissioned, warrant, or petty officer of the Coast Guard on board Coast Guard, Coast Guard Auxiliary, and local, state, and federal law enforcement vessels who have been authorized to act on behalf of the Captain of the Port.

(d) Regulations. (1) Entry into, transit through or anchoring within this safety zone is prohibited unless authorized by the Captain of the Port of San Diego or his designated representative.

(2) All persons and vessels shall comply with the instructions of the Coast Guard Captain of the Port or the designated representative.

(3) Upon being hailed by U.S. Coast Guard patrol personnel by siren, radio, or flashing light, or other means, the operator of a vessel shall proceed as directed.

(4) The Coast Guard may be assisted by other federal, state, or local agencies.

Dated: December 9, 2013.

J.A. Janszen,
Commander, U.S. Coast Guard, Acting,
Captain of the Port San Diego.
