RAILROAD RETIREMENT BOARD

Proposed Collection; Comment Request

Summary: In accordance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

Comments are invited on: (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of

automated collection techniques or other forms of information technology.

1. Title and purpose of information collection: Public Service Pension Questionnaires; OMB 3220-0136.

Public Law 95-216 amended the Social Security Act of 1977 by providing, in part, that spouse or survivor benefits may be reduced when the beneficiary is in receipt of a pension based on employment with a Federal, State, or local governmental unit. Initially, the reduction was equal to the full amount of the government pension.

Public Law 98-21 changed the reduction to two-thirds of the amount of the government pension. Public Law 108-203 amended the Social Security Act by changing the requirement for exemption to public service offset, that Federal Insurance Contributions Act (FICA) taxes be deducted from the public service wages for the last 60 months of public service employment, rather than just the last day of public service employment.

Sections 4(a)(1) and 4(f)(1) of the Railroad Retirement Act (RRA) provides that a spouse or survivor annuity should be equal in amount to what the annuitant would receive if entitled to a like benefit from the Social Security Administration. Therefore, the public service pension (PSP) provisions apply to RRA annuities. RRB regulations pertaining to the collection of evidence relating to public service pensions or worker's compensation paid to spouse or survivor applicants or annuitants are found in 20 CFR 219.64c.

The RRB utilizes Form G-208, Public Service Pension Questionnaire, and Form G-212, Public Service Monitoring Questionnaire, to obtain information used to determine whether an annuity reduction is in order. Completion of the forms is voluntary. However, failure to complete the forms could result in the nonpayment of benefits. One response is requested of each respondent. The RRB proposes no changes to the forms in the collection.

ESTIMATE OF ANNUAL RESPONDENT BURDEN
 [The estimated annual respondent burden is as follows]

Form No.	Annual responses	Time (minutes)	Burden (hours)
G-208	70	16	19.0
G-212	1,100	15	275.0
Total	1,170	294.0

2. Title and purpose of information collection: Report of Medicaid State

Office on Beneficiary's Buy-In Status; OMB 3220-0185.

Under Section 7(d) of the Railroad Retirement Act, the RRB administers the
