Health Resources and Services Administration

Agency Information Collection Activities: Proposed Collection: Public Comment Request

AGENCY: Health Resources and Services Administration, HHS.

ACTION: Notice.

SUMMARY: In compliance with the requirement for opportunity for public comment on proposed data collection projects (Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995), the Health Resources and Services Administration (HRSA) announces plans to submit an Information Collection Request (ICR), described below, to the Office of Management and Budget (OMB). Prior to submitting the ICR to OMB, HRSA seeks comments from the public regarding the burden estimate, below, or any other aspect of the ICR.

DATES: Comments on this Information Collection Request must be received within 60 days of this notice.

ADDRESSES: Submit your comments to *paperwork@hrsa.gov* or mail the HRSA Information Collection Clearance Officer, Room 10-29, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857.

FOR FURTHER INFORMATION CONTACT: To request more information on the proposed project or to obtain a copy of the data collection plans and draft instruments, email *paperwork@hrsa.gov* or call the HRSA Information Collection Clearance Officer at (301) 443-1984.

SUPPLEMENTARY INFORMATION: When submitting comments or requesting information, please include the information request collection title for reference.

Information Collection Request Title: Assessment and Evaluation of the Public Health Training Center Program.

OMB No.: 0915-xxxx-NEW.

Abstract: The Public Health Training Center (PHTC) Program provides support to help improve the public health workforce by strengthening the competence of the existing and future public health workforce and addressing public health workforce shortages. Grantees of the PHTC Program include accredited schools and programs of public health and other private and non-profit entities that are required to provide competency-based training and educational programs—based on the Core Competencies for Public Health Professionals outlined by the Council on Linkages between Academia and Public Health—that support core public health functions and the Ten Essential Public Health Services.

Need and Proposed Use of the Information: The Bureau of Health Professions (BHP) is currently evaluating the PHTC Program to assess how grantees are meeting the needs of the public health workforce, improving the public health workforce by strengthening the competence of the existing and future public health workforce, and addressing shortages of the public health workforce. The specific purpose of this data collection activity is to obtain information from individuals who participate in continuing education courses offered by PHTC grantees in order to gauge and monitor changes in participants' knowledge about public health-related issues.

Likely Respondents: Participants of continuing education courses offered by PHTC grantees.

Burden Statement: Burden in this context means the time expended by persons to generate, maintain, retain, disclose or provide the information requested. This includes the time needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information; to search data sources; to complete and review the collection of information; and to transmit or otherwise disclose the information. The total annual burden hours estimated for this Information Collection Request are summarized in the table below.

Form name	Number of respondents	Number of responses per respondent	Total responses	Average burden per response (in hours)	Total burden hours
CE Survey Form	3,000	1	3,000	.16	480
Total	3,000	1	3,000	.16	480

Total Estimated Annualized burden hours:

HRSA specifically requests comments on (1) the necessity and utility of the proposed information collection for the proper performance of the agency's functions, (2) the accuracy of the estimated burden, (3) ways to enhance the quality, utility, and clarity of the information to be collected, and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

Dated: December 30, 2013.

Bahar Niakan,

Director, Division of Policy and Information Coordination.

Council on Graduate Medical Education; Notice of Meeting

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), notice is hereby given of the following meeting:

Name: Council on Graduate Medical Education (COGME).

Date and Time: January 27, 2014 (8:30 a.m.–5:00 p.m.). January 28, 2014 (8:30 a.m.–5:00 p.m.).

Place: Combined In-Person and Webinar Format, Health Resources and Services Administration (HRSA), U.S. Department of Health and Human Services, 5600 Fishers Lane, Room 18–57, Rockville, Maryland 20857.

Status: The meeting will be open to the public.

Purpose: The COGME provides advice and recommendations to the Secretary of the Department of Health and Human Services and to Congress on a range of issues including the supply and distribution of physicians in the United States, current and future physician shortages or excesses, issues relating to foreign medical school graduates, the nature and financing of medical education training, and the development of performance measures and longitudinal evaluation of medical education programs.

Agenda: The meeting will begin with opening remarks from HRSA senior officials and updates on HRSA-specific programs related to the physician workforce. The Council will also discuss recent developments in the physician workforce and in graduate medical education. However, a large portion of the meeting will be devoted to developing recommendations and an outline for their next report. Reports are submitted to the Secretary of the Department of Health and Human Services; the Committee on Health, Education, Labor and Pensions of the Senate; and the Committee on Energy and Commerce of the House of Representatives.

Public Comment: An opportunity will be provided for public comment at the end of each day of the meeting, or written comments to the members may be sent prior to the meeting to Shane Rogers at srogers@hrsa.gov.

The official agenda will be available 2 days prior to the meeting on the HRSA Web site (<http://www.hrsa.gov/advisorycommittees/bhpradvisory/cogme/index.html>). Agenda items are subject to change as priorities dictate.

SUPPLEMENTARY INFORMATION: As this meeting will be a combined format of both in-person and webinar, members of the public and interested parties who wish to participate “in-person” should make an immediate request by emailing their first name, last name, and contact email address to the Designated Federal Official for the Council, Mr. Shane Rogers, at srogers@hrsa.gov or call 301–443–5260. Space is limited. Due to the fact that this meeting will be held within a federal government building,

and public entrance to such facilities requires prior planning, access will be granted upon request only and will be on a first come, first served basis. Members of the public who wish to participate via webinar should view the Council’s Web site for the specific webinar access information at least two days prior to the date of the meeting: <http://www.hrsa.gov/advisorycommittees/bhpradvisory/cogme/index.html>.

FOR FURTHER INFORMATION CONTACT: Anyone requesting information regarding the COGME should contact Mr. Shane Rogers, the Designated Federal Official within the Bureau of Health Professions, Health Resources and Services Administration, in one of the following three ways: (1) Send a request to the following address: Shane Rogers, Designated Federal Official, Bureau of Health Professions, Health Resources and Services Administration, Parklawn Building, Room 9A–27, 5600 Fishers Lane, Rockville, Maryland 20857; (2) call 301–443–5260; or (3) send an email to srogers@hrsa.gov.

Dated: December 30, 2013.

Bahar Niakan,

Director, Division of Policy and Information Coordination.

SUPPLEMENTARY INFORMATION:

I. Public Comment Procedures

A. How do I request copies of applications or comment on submitted applications?

Send your request for copies of applications or comments and materials concerning any of the applications to the contact listed under **ADDRESSES**. Please include the **Federal Register** notice publication date, the PRT-number, and the name of the applicant in your request or submission. We will not consider requests or comments sent to an email or address not listed under **ADDRESSES**. If you provide an email address in your request for copies of applications, we will attempt to respond to your request electronically.

Please make your requests or comments as specific as possible. Please confine your comments to issues for which we seek comments in this notice, and explain the basis for your comments. Include sufficient information with your comments to allow us to authenticate any scientific or commercial data you include.

The comments and recommendations that will be most useful and likely to influence agency decisions are: (1) Those supported by quantitative information or studies; and (2) Those that include citations to, and analyses of, the applicable laws and regulations. We will not consider or include in our administrative record comments we receive after the close of the comment period (see **DATES**) or comments delivered to an address other than those listed above (see **ADDRESSES**).

B. May I review comments submitted by others?

Comments, including names and street addresses of respondents, will be available for public review at the street address listed under **ADDRESSES**. The public may review documents and other information applicants have sent in support of the application unless our allowing viewing would violate the Privacy Act or Freedom of Information Act. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we
