Notice of Application for Withdrawal Extension and Opportunity for Public Meeting; Oregon

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The United States Forest Service (USFS) has filed an application with the Bureau of Land Management (BLM) requesting that the Secretary of the Interior extend the duration of Public Land Order (PLO) No. 7169 for an additional 20-year term. PLO No. 7169 withdrew approximately 86.85 acres of National Forest System land from mining in order to protect the cultural resource sites at Wocus Point. The withdrawal established by PLO No. 7169 will expire on October 25, 2015, unless it is extended. This notice gives the public an opportunity to comment on the application and proposed action and to request a public meeting.

DATES: Comments and requests for a public meeting must be received by April 7, 2014.

ADDRESSES: Comments and meeting requests should be sent to the BLM Oregon/Washington State Director, P.O. Box 2965, Portland, OR 97208-2965 or 1220 SW 3rd Avenue, Portland, OR 97204-3264.

FOR FURTHER INFORMATION CONTACT: Sara Copp, BLM Oregon/Washington State Office, 503-808-6189; or Candice Polisky, USFS Pacific Northwest Region, 503-808-2479. SUPPLEMENTARY INFORMATION: The USFS has filed an application requesting that the Secretary of the Interior extend PLO No. 7169 (60 FR 54814 (1995)), which withdrew approximately 86.85 acres in Klamath County, Oregon, from location and entry under the United States mining laws (30 U.S.C. Ch. 2) for an additional 20-year term, subject to valid existing rights. PLO No. 7169 is incorporated herein by reference.

The purpose of the proposed withdrawal extension is to ensure the continued protection of the unique and

fragile cultural resources found at the Wocus Point area.

The use of a right-of-way, interagency agreement, or cooperative agreement would not provide adequate protection.

The USFS would not need to acquire water rights to fulfill the purpose of the requested withdrawal extension.

Records related to the application may be examined by contacting Sara Copp at the above address or phone number.

For a period until April 7, 2014, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal extension may present their views in writing to the BLM State Director at the address indicated above.

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of Realty Action.

SUMMARY: The Bureau of Land Management (BLM) proposes to offer one approximately 40-acre parcel of public land in Lincoln County, Nevada, by modified competitive sale. Bidding on the subject parcel will begin at not less than the appraised fair market value (FMV) of \$19,000. The BLM identified the parcel for disposal in the 2008 Ely District Resource Management Plan and Environmental Impact Statement, and has examined the parcel and found it suitable for disposal by modified competitive sale. The sale will be subject to the applicable provisions of Section 203 of the Federal Land Policy and Management Act of 1976 (FLPMA), and the regulations at 43 CFR 2710.

DATES: Comments regarding the proposed sale must be received by the BLM on or before February 21, 2013. A sale would not be held prior to 60 days following publication of this Notice of Realty Action. If the BLM determines to proceed with the sale, a sale date would be scheduled and announced on the Ely District Web site and in *The Ely Times* at least 15 days in advance.

ADDRESSES: Written comments concerning the proposed sale should be sent to the BLM Field Manager, Caliente Field Office, 1400 South Street, P.O. Box 237, Caliente, NV 89008, or email vbarr@blm.gov.

A map delineating the proposed sale is available for public review at the Web site and at the BLM Caliente Field Office and at the BLM Ely District Office at 702 N. Industrial Way, Ely, NV 89301. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 to contact the above individual during normal business hours. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The parcel is located approximately 20 miles southeast of Rachel, Nevada, off State Route 375, on the southern side of Tickaboo Valley, and is legally described as:

Mount Diablo Meridian

T. 6 S., R. 57 E.,
Sec. 25, NW¹/₄NW¹/₄.

The area described contains 40 acres, in Lincoln County, Nevada.

This tract of public land meets the disposal criteria consistent with Section 203 of FLPMA and is in conformance with the BLM Ely District Final Environmental Impact Statement and Record of Decision approved on November 30, 2007, and Resource Management Plan (RMP), approved on August 20, 2008. The parcel is identified as suitable for disposal and its disposal would be in compliance with Public Law 108-424, the Lincoln County Conservation, Recreation, and Development Act (LCCRDA), enacted on November 30, 2004. The proposed action also conforms to the 2008 Ely RMP as referenced in the Lands and Realty objectives LR-22, page 68; and Appendix B, page B-1. All of these documents, a map, and the approved appraisal report for the parcel are available for review at the BLM's Ely District Office and Caliente Field Office. A Determination of National Environmental Policy Act Adequacy was approved on August 11, 2010.

No significant resource values will be affected by the disposal of the parcel. The parcel is not required for any Federal purposes.

The sale, as proposed, would be a public, oral auction and would be held at the BLM Caliente Field Office, 1400 South Front Street, Caliente, Nevada. Bidding on the sale parcel will begin at the established FMV.

Steve and Glenda Medlin reside on a long-standing 2.5-acre Residential Lease (N-47788) authorized under Section 302 of FLPMA. Grazing Permit #2705021 authorized the Medlin's to operate a cattle ranching business on the surrounding 37.5 acres within the Bald Mountain Grazing Allotment. Over 25 years, the Medlin's built several improvements and caused considerable disturbance to the surrounding 37.5 acres.

The BLM examined the parcel and found it to be consistent with and suitable for disposal using modified competitive sale procedures at 43 CFR 2710.0-6 (c)(1) and 43 CFR 2711.3-2, which allow for the use of modified competitive sales in certain circumstances to assure equitable distribution of land among purchasers
