

**Operating Rates**

The portion of the SFSP rates for operating costs is based on payment

amounts set in section 13(b)(1) of the NSLA, 42 U.S.C. 1761(b)(1). They are rounded down to the nearest whole

cent, as required by section 11(a)(3)(B) of the NSLA, 42 U.S.C. 1759a(a)(3)(B).

deadline for a party to withdraw a request for review was June 27, 2013.<sup>5</sup>

On March 28, 2013, Petitioner withdrew its review request with respect to Tai Wa Hong and Goldon Singapore.<sup>6</sup> On April 3, 2013, Petitioner withdrew its review request with respect to Macau Commercial.<sup>7</sup> The Department notes that Tai Wa Hong and Macau Commercial are known collectively as the "Tai Wa Hong Group."<sup>8</sup> No other party requested an administrative review of Tai Wa Hong, Macau Commercial, or Goldon Singapore. Thus, Goldon Malaysia and Ta Cheng are the only entities for which a review request remains outstanding.

**Partial Rescission of Review**

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the party that requested the

**Uncovered Innerspring Units From the People's Republic of China: Partial Rescission of Antidumping Duty Administrative Review; 2012-2013**

**AGENCY:** Enforcement and Compliance, formerly Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce ("the Department") is partially rescinding the administrative review of the antidumping duty order on uncovered innerspring units from the People's Republic of China ("PRC") for the period February 1, 2012, through January 31, 2013, based on the withdrawal of certain requests for review.

**DATES:** *Effective Date:* January 7, 2014.

review withdraws its request within 90 days of the publication of the notice of initiation of the requested review. In this segment, Petitioner's withdrawals of its review requests of Tai Wa Hong, Macau Commercial, and Goldon Singapore were submitted within the 90-day deadline, and no other party requested an administrative review of these entities. Therefore, in accordance with 19 CFR 351.213(d)(1), we are rescinding the administrative review of the antidumping duty order on uncovered innerspring units from the PRC covering the period February 1, 2012, through January 31, 2013, with respect to Tai Wa Hong, Macau Commercial, and Goldon Singapore. However, the review will continue with respect to the other entities for which a review was requested and initiated (*i.e.*, Goldon Malaysia and Ta Cheng).

#### Assessment

The Department will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice of partial rescission of the administrative review.

#### Notifications

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a final reminder to parties subject to the administrative protective order ("APO") of their responsibility concerning the disposition of proprietary information disclosed under an APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and

777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: December 26, 2013.

#### Advisory Committee on Supply Chain Competitiveness Solicitation of Nominations for Membership

**AGENCY:** International Trade Administration, U.S. Department of Commerce.

**ACTION:** Notice of an Opportunity To Apply for Membership on the Advisory Committee on Supply Chain Competitiveness.

**SUMMARY:** The Department of Commerce, International Trade Administration (ITA), is requesting nominations to fill vacancies on the Advisory Committee on Supply Chain Competitiveness (Committee). The Committee was established under the Federal Advisory Committee Act, 5 U.S.C. App. The Committee was first chartered on November 21, 2011. The Department of Commerce rechartered the Committee for another two-year term beginning on November 20, 2013, with modifications to the charter to clarify the scope of issues on which the Committee advises the Secretary, including supply chain competitiveness issues related to trade programs, freight movement and policy, information and data systems associated with system performance measurement, regulatory issues, and infrastructure finance, and to increase the maximum membership from 40 to 45 members. The Committee advises the Secretary on the necessary elements of a comprehensive policy approach to supply chain competitiveness designed to support U.S. export growth and national economic competitiveness, encourage innovation, facilitate the movement of goods, and improve the competitiveness of U.S. supply chains for goods and services in the domestic and global economy; and provides advice to the Secretary on regulatory policies and programs and investment priorities that affect the competitiveness of U.S. supply chains. The Department is seeking nominations to fill vacancies on the Committee.

**DATES:** Nominations for membership must be received on or before February 21, 2014.

**ADDRESSES:** Richard Boll, Office of Supply Chain, Professional & Business Services, Room 11014, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; phone 202-482-1135; email: [richard.boll@trade.gov](mailto:richard.boll@trade.gov).

**FOR FURTHER INFORMATION CONTACT:** Richard Boll, Office of Supply Chain, Professional & Business Services, Room 11014, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; phone 202-482-1135; email: [richard.boll@trade.gov](mailto:richard.boll@trade.gov). Please visit the Advisory Committee on Supply Chain Competitiveness Web site at: <http://ita.doc.gov/td/sif/dsct/acsccl/>.

**SUPPLEMENTARY INFORMATION:** The Department of Commerce is seeking nominations to fill vacancies on the Committee. The Committee was established on November 21, 2011, and the Committee was rechartered on November 20, 2013. The new charter increased the maximum membership of the Committee to forty-five (45) members. Members will serve for a two-year term and will be selected in accordance with applicable Department of Commerce Guidelines based upon their ability to advise the Secretary of Commerce on the necessary elements of a comprehensive policy approach to supply chain competitiveness designed to support U.S. export growth and national economic competitiveness, encourage innovation, facilitate the movement of goods, and improve the competitiveness of U.S. supply chains for goods and services in the domestic and global economy; and to provide advice to the Secretary on regulatory policies and programs and investment priorities that affect the competitiveness of U.S. supply chains. The Committee provides detailed policy and technical advice, information, and recommendations to the Secretary regarding:

(1) national, state, or local factors in trade programs and policies that affect the efficient domestic and international operation and competitiveness of U.S. global supply chains from point of origin to destination;

(2) elements of national policies affecting the movement of goods, infrastructure, investment, and regulatory factors that affect supply chain competitiveness and sustainability; and

(3) information and data systems to generate metrics that can be used to quantify and improve supply chain performance.
