Accelerated Approval of Proposed Rule Change, as Modified by Amendment No. 2

As discussed above,²⁹ through Amendment No. 2, the Exchange revises the proposed rule change by providing greater detail about how the Funds' NAVs are calculated and the availability of price information regarding the Funds' holdings. The Commission believes that Amendment No. 2 provides more support for the Exchange's contention that its proposed rule change consistent with the Section 6(b)(5) of the Act.³⁰ In particular, Amendment No. 2 clarified that: (1) The Index Provider is a registered broker-dealer and has implemented a fire wall with respect to its relevant personnel regarding access to information concerning the composition and/or changes to the Index; (2) the Index Provider is affiliated with a broker-dealer and has implemented a fire wall with respect to its broker-dealer affiliate regarding access to information concerning the composition and/or changes to the Index; and (3) the Index Provider and its broker-dealer affiliate have implemented procedures designed to prevent the use and dissemination of

material, non-public information regarding the Index. Accordingly, the Commission finds good cause, pursuant to Section 19(b)(2) of the Act,³¹ to approve the proposed rule change, as modified by Amendments Nos. 1 and 2, prior to the 30th day after the date of publication of notice in the **Federal Register**.

V. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,³² that the proposed rule change (SR-NYSEArca-2013-118) as modified by Amendments No. 1 and 2 thereto be, and it hereby is, approved on an accelerated basis.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.³³

Deputy Secretary.
