

action or make final the agreement's proposed order.

The respondent is a motor vehicle dealer. According to the FTC complaint, respondent has advertised cars for leasing, and has also advertised financing offers. In connection with its advertising of lease offers, the complaint alleges, the respondent has advertised that consumers can pay "\$0" up-front to lease a car, and has depicted several cars in its advertisements to which this offer applies, listing a specific monthly lease payment for each such car. The complaint alleges that, in fact, for a \$0 up-front payment, consumers cannot lease the cars shown in the advertisements for the advertised monthly payment amounts, and that instead, consumers must also pay a security deposit and/or significant fees, including but not limited to an acquisition fee. The complaint alleges that, therefore, the respondent's representations are false or misleading in violation of Section 5 of the FTC Act. In addition, the complaint alleges a violation of the Consumer Leasing Act and Regulation M for failing to clearly and conspicuously disclose the costs and terms of certain leases offered, despite the respondent's use of certain triggering terms in the advertisements.

The complaint further alleges, in connection with its advertising of financing offers, that the respondent has advertised that it offers 0% APR financing on all new cars. According to the complaint, the respondent's advertisements have failed to disclose adequately that consumers who finance more than a certain amount—*e.g.*, \$12,000—will be charged more than 0% APR. The complaint alleges that, therefore, the respondent's representations are deceptive in violation of Section 5 of the FTC Act. In addition, the complaint alleges a violation of the Truth in Lending Act and Regulation Z for failing to clearly and conspicuously disclose the amount or percentage of the downpayment, despite the respondent's use of certain triggering terms in the advertisements.

The proposed order is designed to prevent the respondent from engaging in similar deceptive practices and law violations in the future. Part I.A prohibits the respondent from misrepresenting the cost of: (1) Leasing a vehicle, including but not limited to the total amount due at lease inception, the downpayment, amount down, acquisition fee, capitalized cost reduction, any other amount required to be paid at lease inception, and the amounts of all monthly or other periodic payments; or (2) purchasing a vehicle with financing, including but

not necessarily limited to the amount or percentage of the downpayment, the number of payments or period of repayment, the amount of any payment, the annual percentage rate or any other finance rate, and the repayment obligation over the full term of the loan, including any balloon payment. Part I.B prohibits the respondent from misrepresenting any other material fact about the price, sale, financing, or leasing of any vehicle.

Part II of the proposed order prohibits the respondent from making any representation regarding an annual percentage rate or other interest rate, unless the representation clearly and conspicuously discloses any material limitation on obtaining the rate, including whether different rates apply based on the amount financed, and if so, the different rates that apply.

Part III of the proposed order addresses the CLA allegation. It requires that the respondent clearly and conspicuously make all of the disclosures required by CLA and Regulation M when any of its advertisements states relevant triggering terms. In addition, Part III prohibits any other violation of CLA and Regulation M.

Part IV of the proposed order addresses the TILA allegation. It requires that the respondent make all of the disclosures required by TILA and Regulation Z when any of its advertisements states relevant triggering terms. In addition, Part IV prohibits any other violation of TILA and Regulation Z.

Part V of the proposed order requires respondent to keep copies of relevant advertisements and materials substantiating claims made in the advertisements. Part VI requires that respondent provide copies of the order to certain of its personnel. Part VII requires notification to the Commission regarding changes in corporate structure that might affect compliance obligations under the order. Part VIII requires the respondent to file compliance reports with the Commission. Finally, Part IX is a provision "sunsetting" the order after twenty (20) years, with certain exceptions.

The purpose of this analysis is to aid public comment on the proposed order. It is not intended to constitute an official interpretation of the complaint or proposed order, or to modify in any way the proposed order's terms.

By direction of the Commission.

Donald S. Clark,
Secretary.

Analysis of Proposed Consent Order To Aid Public Comment

The Federal Trade Commission (“FTC”) has accepted, subject to final approval, an agreement containing a consent order from Nissan of South Atlanta, LLC, also d/b/a Nissan South. The proposed consent order has been placed on the public record for thirty (30) days for receipt of comments by interested persons. Comments received during this period will become part of the public record. After thirty (30) days, the FTC will again review the agreement and the comments received, and will decide whether it should withdraw from the agreement and take appropriate action or make final the agreement’s proposed order.

The respondent is a motor vehicle dealer. According to the FTC complaint, respondent has advertised that consumers can finance the purchase of vehicles by paying \$99 per month with a \$0 downpayment. The complaint

alleges that, in fact, consumers will pay \$99 per month for only the first two months of an 84-month period. The complaint further alleges that the advertisements fail to state the amount of each payment beyond the first two months of financing. The complaint alleges therefore that the respondent’s representations are false or misleading in violation of Section 5 of the FTC Act. In addition, the complaint alleges that the respondent violated the Truth in Lending Act (“TILA”) and Regulation Z for failing to clearly and conspicuously disclose required information concerning costs and credit terms.

The proposed order is designed to prevent the respondent from engaging in similar deceptive practices in the future. Part I.A prohibits the respondent from misrepresenting the cost of: (1) Purchasing a vehicle with financing, including but not necessarily limited to the amount or percentage of the downpayment, the number of payments or period of repayment, the amount of any payment, and the repayment obligation over the full term of the loan, including any balloon payment; or (2) leasing a vehicle, including but not limited to the total amount due at lease inception, the downpayment, amount down, acquisition fee, capitalized cost reduction, any other amount required to be paid at lease inception, and the amounts of all monthly or other periodic payments. Part I.B prohibits the respondent from misrepresenting any other material fact about the price, sale, financing, or leasing of any vehicle.

Part II of the proposed order addresses the TILA allegations. It requires clear and conspicuous TILA and Regulation Z disclosures when advertising any of the relevant triggering terms with regard to issuing consumer credit. It also requires that if any finance charge is advertised, the rate be stated as an “annual percentage rate” using that term or the abbreviation “APR.” In addition, Part II prohibits any other violation of TILA or Regulation Z.

Part III of the proposed order requires respondent to keep copies of relevant advertisements and materials substantiating claims made in the advertisements. Part IV requires that respondent provide copies of the order to certain of its personnel. Part V requires notification to the Commission regarding changes in corporate structure that might affect compliance obligations under the order. Part VI requires the respondent to file compliance reports with the Commission. Finally, Part VII is a provision “sunsetting” the order after twenty (20) years, with certain exceptions.

The purpose of this analysis is to aid public comment on the proposed order. It is not intended to constitute an official interpretation of the complaint or proposed order, or to modify in any way the proposed order's terms.

By direction of the Commission.

Donald S. Clark,
Secretary.
