#### Additional Information

*Background:* The NFAC is established under the authority of the U.S. Department of Transportation, in accordance with the provisions of the Federal Advisory Committee Act (5 U.S.C. App. 2). The Secretary of Transportation has determined that establishment of the Committee is in the public interest. The NFAC provides advice and recommendations to the Secretary on matters related to freight transportation in the United States, including (1) implementation of the freight transportation requirements of MAP-21; (2) establishment of the National Freight Network; (3) development of a National Freight Strategic Plan; (4) development of strategies to help States implement State Freight Advisory Committees and State Freight Plans; (5) development of measures of conditions and performance in freight transportation; (6) development of freight transportation investment, data, and planning tools; and (7) legislative recommendations.

On November 19, 2013, the Federal Highway Administration published in the **Federal Register** the draft initial designation of the highway Primary Freight Network (PFN), which is established by the Secretary of Transportation as required by 23 U.S.C. 167(d), and provides information about designation of Critical Rural Freight Corridors (CRFC), which are designated by the States, and establishment of the

National Freight Network (NFN), which combines the two, along with the portions of the Interstate System not designated as part of the highway PFN. The notice also solicits comments on the draft initial designation of the highway PFN and other critical aspects of the NFN. A notice published in the **Federal Register** on February 6, 2013 (78 FR 8686), introduced the process for designation of the highway PFN, NFN, and CRFCs.

During this meeting, NFAC members will discuss and prepare a joint comment on the *Designation of the Primary Freight Network* [FHWA-2013-0050].

Agenda: The agenda will include: (1) Welcome and introductions; (2) overview of the meeting format; (3) remarks from the NFAC Chair and Vice Chair; (4) discussion and consideration by full Committee of draft comments; (5) public comment; and (6) adjournment.
