Notice of Intent to Prepare a Joint Environmental Impact Statement/ Environmental Impact Report for Trail Management Plan, Santa Monica Mountains National Recreation Area, Ventura and Los Angeles Counties, California

AGENCY: National Park Service, Interior.

ACTION: Notice of Intent.

SUMMARY: The original Notice of Intent to prepare the Trail Management Plan was published in the **Federal Register** on January 16, 2003, with an estimated completion date of 2004 for the joint EIS/EIR. The National Park Service (NPS) and state of California partner agencies conducted public scoping meetings in 2005 and gathered public comments on conceptual trail policies and map alternatives needed to prepare the Draft EIS/EIR. Owing to lack of funding, the NPS and partner agencies were unable to continue preparation of the EIS/EIR after the 2005 public scoping effort. State and federal funding for the EIS/EIR has now been secured, and the agencies are reinitiating joint preparation of the Trail Management Plan (TMP) and combined EIS/EIR. The NPS is the lead agency responsible for preparing the EIS, and the California Department of Parks and Recreation (CDPR) is the lead agency responsible for preparing the EIR. The Santa Monica Mountains Conservancy (SMMC) and the Mountains Recreation and Conservation Authority (MRCA) will be cooperating agencies in the EIS/EIR effort. Following publication of this Notice, CDPR will reissue a Notice of Preparation to initiate the preparation of a joint EIS/EIR pursuant to the requirements of the California Environmental Policy Act (CEQA).

DATES: All written public scoping comments must be postmarked or transmitted not later than April 1, 2014.

Further Information: Periodically updated materials about the integrated EIS/EIR process will be made available via mailings, regional and local news
