SUMMARY: The Department of Commerce (Department) is rescinding the administrative review of the countervailing duty (CVD) order on circular welded carbon quality steel pipe (circular welded pipe) from the People's Republic of China (PRC) for the period January 1, 2012, through December 31, 2012.

Background

On August 28, 2013, the Department initiated an administrative review of the CVD order on circular welded pipe from the PRC with respect to 19 companies for the period January 1, 2012, through December 31, 2012, based on a request from Wheatland Tube Company (Wheatland).¹ On December 9, 2013, Wheatland withdrew its request for an administrative review. No other party requested a review.

Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(l), the Department will rescind an administrative review, in whole or in part, if the party that requested a review withdraws the request within 90 days of the publication of the notice of initiation of the requested review. In this case, Wheatland withdrew its request within the 90-day deadline as extended,² and no other parties requested an administrative review of the CVD order. Therefore, in accordance with 19 CFR 351.213(d)(1), we are rescinding the administrative review of circular welded pipe from the PRC covering the period January 1, 2012, through December 31, 2012.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess CVDs on all appropriate entries of circular welded pipe from the PRC during the period of review at rates equal to the cash deposit of estimated CVDs required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice of rescission of administrative review.
