

inspected in its entirety at least four times a year, and each surface mine at least two times per year. Mines that operate only during warmer weather must be scheduled for inspection during the spring, summer, and autumn seasons. Mines are sometimes located a great distance from MSHA field offices and the notification required by this standard can prevent wasted time and trips.

II. Desired Focus of Comments

MSHA is soliciting comments concerning the proposed information collection related to Representative of Miners, Notification of Legal Identity, and Notification of Commencement of Operations and Closing of Mines. MSHA is particularly interested in comments that:

- Evaluate whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information has practical utility;
- Evaluate the accuracy of the MSHA's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;
- Suggest methods to enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

This information collection request is available on <http://www.msha.gov/regs/fedreg/informationcollection/informationcollection.asp>. The information collection request will be available on MSHA's Web site and on <http://www.regulations.gov>. MSHA cautions the commenter against providing any information in the submission that should not be publicly disclosed. Full comments, including personal information provided, will be made available on www.regulations.gov and www.reginfo.gov.

The public may also examine publicly available documents at MSHA, 1100 Wilson Boulevard, Room 2350, Arlington, VA. Sign in at the receptionist's desk on the 21st floor.

Questions about the information collection requirements may be directed to the person listed in the **FOR FURTHER INFORMATION CONTACT** section of this notice.

III. Current Actions

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

[NARA-2014-014]

Records Schedules; Availability and Request for Comments

AGENCY: National Archives and Records
Administration (NARA).

ACTION: Notice of availability of
proposed records schedules; request for
comments.

SUMMARY: The National Archives and
Records Administration (NARA)

publishes notice at least once monthly
of certain Federal agency requests for
records disposition authority (records
schedules). Once approved by NARA,
records schedules provide mandatory
instructions on what happens to records
when no longer needed for current
Government business. They authorize
the preservation of records of
continuing value in the National
Archives of the United States and the
destruction, after a specified period, of
records lacking administrative, legal,
research, or other value. Notice is
published for records schedules in
which agencies propose to destroy
records not previously authorized for
disposal or reduce the retention period
of records already authorized for
disposal. NARA invites public
comments on such records schedules, as
required by 44 U.S.C. 3303a(a).

DATES: Requests for copies must be
received in writing on or before March
5, 2014. Once the appraisal of the
records is completed, NARA will send
a copy of the schedule. NARA staff
usually prepare appraisal
memorandums that contain additional
information concerning the records
covered by a proposed schedule. These,
too, may be requested and will be
provided once the appraisal is
completed. Requesters will be given 30
days to submit comments.

ADDRESSES: You may request a copy of
any records schedule identified in this
notice by contacting Records
Management Services (ACNR) using one
of the following means:

Mail: NARA (ACNR), 8601 Adelphi
Road, College Park, MD 20740-6001.

Email: request.schedule@nara.gov.

FAX: 301-837-3698.

Requesters must cite the control
number, which appears in parentheses
after the name of the agency which
submitted the schedule, and must
provide a mailing address. Those who
desire appraisal reports should so
indicate in their request.

FOR FURTHER INFORMATION CONTACT:
Margaret Hawkins, Director, Records
Management Services (ACNR), National
Archives and Records Administration,
8601 Adelphi Road, College Park, MD
20740-6001. Telephone: 301-837-1799.
Email: request.schedule@nara.gov.

SUPPLEMENTARY INFORMATION: Each year
Federal agencies create billions of
records on paper, film, magnetic tape,
and other media. To control this
accumulation, agency records managers
prepare schedules proposing retention
periods for records and submit these
schedules for NARA's approval. These
schedules provide for the timely transfer
into the National Archives of
