FOR FURTHER INFORMATION CONTACT: Paul Walker or Steven Hampton, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-0413 or (202) 482-0116, respectively.

SUPPLEMENTARY INFORMATION:;

Background

On August 1, 2013, the Department published a notice of opportunity to request an administrative review of the antidumping duty order on certain frozen fish fillets from the Socialist Republic of Vietnam.¹ Pursuant to requests from interested parties, the Department initiated an administrative review with respect to 33 exporters for the period August 1, 2012 through July 31, 2013.² On November 8, 2013, the Department published a correction notice to include two companies that were inadvertently omitted from the *Initiation Notice*.³ The deadline for a party to withdraw a request for review was December 31, 2013.⁴

As explained in the memorandum from the Assistant Secretary for Enforcement and Compliance, the Department exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from October 1, through October 16, 2013.⁵ Thus, all of the deadlines in this segment of the proceeding were extended by 16 days. Therefore, the revised deadline for a party to withdraw a request for review was January 16, 2013.

Withdrawal of Review Requests

On December 27, 2013, Vinh Hoan Corporation (“Vinh Hoan”) withdrew its review request.⁶ On January 3, 2014, Petitioner⁷ withdrew its review requests with respect to nine companies, including An Phu Seafood Corporation (“An Phu Seafood”) and Vinh Hoan.⁸

Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. Vinh Hoan’s, Bien Dong Seafood’s, and Petitioner’s withdrawals of their review requests of Vinh Hoan, Bien Dong Seafood, and An Phu Seafood were submitted within the deadline set forth under 19 CFR 351.213(d)(1). Assessment

The Department will instruct U.S. Customs and Border Protection (“CBP”) to assess antidumping duties on all appropriate entries, consistent with 19 CFR 351.212(b)(1). For An Phu Seafood, Bien Dong Seafood, and Vinh Hoan, each of which obtained separate rates in the most recently-completed segment of this proceeding in which they were under review, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period August 1, 2012, through July 31, 2013, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instruction to CBP 15 days after publication of this notice.

Notifications

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a final reminder to parties subject to the administrative protective order (“APO”) of their responsibility concerning the disposition of proprietary information disclosed under an APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: January 27, 2014.

Background

Each year during the anniversary month of the publication of an antidumping or countervailing duty order, finding, or suspended investigation, an interested party, as defined in section 771(9) of the Tariff Act of 1930, as amended (“the Act”), may request, in accordance with 19 CFR 351.213, that the Department of Commerce (“the Department”) conduct an administrative review of that antidumping or countervailing duty order, finding, or suspended investigation.

All deadlines for the submission of comments or actions by the Department discussed below refer to the number of calendar days from the applicable starting date.

Respondent Selection

In the event the Department limits the number of respondents for individual examination for administrative reviews initiated pursuant to requests made for the orders identified below, the Department intends to select respondents based on U.S. Customs and Border Protection (“CBP”) data for U.S. imports during the period of review. We intend to release the CBP data under Administrative Protective Order (“APO”) to all parties having an APO within five days of publication of the initiation notice and to make our decision regarding respondent selection within 21 days of publication of the initiation **Federal Register** notice. Therefore, we encourage all parties interested in commenting on respondent selection to submit their APO applications on the date of publication of the initiation notice, or as soon thereafter as possible. The Department invites comments regarding the CBP data and respondent selection within five days of placement of the CBP data on the record of the review.

In the event the Department decides it is necessary to limit individual examination of respondents and conduct respondent selection under section 777A(c)(2) of the Act:

In general, the Department has found that determinations concerning whether particular companies should be “collapsed” (i.e., treated as a single entity for purposes of calculating antidumping duty rates) require a substantial amount of detailed information and analysis, which often
