#### SUPPLEMENTARY INFORMATION:

##### I. Background

In accordance with the Privacy Act of 1974, 5 U.S.C. 552a, the Department of Homeland Security (DHS) proposes to modify a current DHS system of records titled “DHS/ALL-001 Freedom of Information Act and Privacy Act Records System of Records,” 74 FR 55572 (October 28, 2009).

As part of its biennial review process, DHS is updating and reissuing this system of records notice to reflect a change in the location of records to include the use of electronic FOIA tracking systems by DHS and its components, and because routine uses are being updated to permit additional sharing. Categories of records have been updated to include responses to requests. Routine use (L) has been added to permit sharing with National Archives and Records Administration (NARA), Office of Government Information Services (OGIS) so those agencies can review administrative policies, procedures, and compliance, and to facilitate resolutions to disputes between persons making Freedom of Information Act (FOIA) requests and DHS. Routine use (M) has been added to allow information to be shared with a court, magistrate, or administrative tribunal in the course of presenting evidence, litigation, or settlement negotiations, or in response to a subpoena, or in connection with criminal law proceedings. Routine use (N) has been added to allow information to be shared with a court, grand jury, or administrative or adjudicative body, when DHS determines that the records are relevant, to the proceeding. Routine use (O) has been added to allow information to be shared with appropriate federal, state, tribal, local, or foreign governmental agencies or multilateral government organizations
