FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 79

[MB Docket No. 11-154; DA 14-72]

Deadline Extended for Comment on Media Bureau Public Notice on Application of the IP Closed Captioning Rules to Video Clips

AGENCY: Federal Communications Commission.

ACTION: Proposed rule; extension of comment and reply comment period.

SUMMARY: The Media Bureau extends the deadline for filing comments and reply comments on application of the Internet protocol (“IP”) closed captioning rules to video clips, which was published in the **Federal Register** on December 26, 2013. The extension will facilitate the development of a full record.

DATES: The comment and reply comment period for the proposed rule published December 26, 2013 (78 FR 78319) is extended. Submit comments on or before February 3, 2014. Submit reply comments on or before March 5, 2014.

ADDRESSES: Federal Communications Commission, 445 12th Street SW., Washington, DC 20554. For detailed instructions on submitting comments and additional information on the rulemaking process, see the Public Notice.

SUPPLEMENTARY INFORMATION: This is a summary of the Commission’s Public Notice in MB Docket No. 11-154, DA 14-72, released on January 22, 2014, which extends the comment and reply comment filing deadline established in DA No. 13-2392, published at 78 FR 78319, December 26, 2013.

1. The Media Bureau extends the deadlines for filing comments and reply comments in the above-captioned proceeding. On December 13, 2013, the Media Bureau sought updated information on the closed captioning of video clips delivered by Internet protocol (“IP”), including the extent to which industry has voluntarily

captioned IP-delivered video clips.¹ The Video Clips PN established a comment deadline of January 27, 2014 and a reply comment deadline of February 26, 2014. On January 17, 2014, the National Association of Broadcasters (“NAB”) requested a one week extension of the comment deadline.² NAB explained that it is “currently working diligently on a sister docket” regarding the closely related subject matter of closed captioning quality, and that a one week extension of the video clips comment deadline would enable NAB and others “to continue their collaborative work” in that other docket and to more fully address the issues in the Video Clips PN. We grant NAB’s request.

2. As set forth in Section 1.46(a) of the Commission’s Rules,³ the Commission’s policy is that extensions of time shall not be routinely granted. Given the closely related subject matter of the two pending proceedings, however, we believe that granting NAB’s request is necessary to facilitate the development of a full record. Accordingly, we extend the comment deadline by one week, until February 3, 2014. To ensure that interested parties have sufficient time to respond fully to the comments, on our own motion we also extend the reply comment deadline by one week, until March 5, 2014.

Federal Communications Commission.

Chief, Media Bureau.

Endangered and Threatened Wildlife and Plants; Removing the Oregon Chub From the List of Endangered and Threatened Wildlife

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Proposed rule; availability of draft post-delisting monitoring plan.

¹ Media Bureau Seeks Comment on Application of the IP Closed Captioning Rules to Video Clips, Public Notice, MB Docket No. 11-154, DA 13-2392 (Dec. 13, 2013) (“Video Clips PN”).

² Motion for Extension of Time of the National Association of Broadcasters, MB Docket No. 11-154 (filed January 17, 2014).

³ 47 CFR § 1.46.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service), propose to remove (delist) the Oregon chub (*Oregonichthys crameri*) from the Federal List of Endangered and Threatened Wildlife. This proposed action is based on a thorough review of the best available scientific and commercial information, which indicates that the Oregon chub has recovered and no longer meets the definition of an endangered species or a threatened species under the Endangered Species Act of 1973, as amended (Act). Our review of the status of this species shows that the threats to this species have been eliminated or reduced and populations are stable so that the species is not currently, and is not likely to again become, a threatened species within the foreseeable future in all or a significant portion of its range. This proposed rule, if made final, would remove the currently designated critical habitat for the Oregon chub throughout its range. We also announce the availability of a draft post-delisting monitoring plan for the Oregon chub. We seek information, data, and comments from the public regarding this proposal to delist the Oregon chub and on the draft post-delisting monitoring plan.

DATES: We will accept comments received or postmarked on or before April 7, 2014. Please note that if you are using the Federal eRulemaking Portal (see **ADDRESSES**), the deadline for submitting an electronic comment is Eastern Standard Time on this date.
