

possession or control of the items by 3K Aviation in Turkey indicates a continued risk that further attempts likely will be made to reexport the items to Iran and thus violate the Regulations and the TDO.

C. Findings

I find that the evidence presented by OEE demonstrates that a violation of the Regulations is imminent in both time and degree of likelihood. Adding Evans Meridians Ltd. to the TDO is needed to give notice to persons and companies in the United States and abroad that they should cease dealing with Evans Meridians in export and re-export transactions involving items subject to the EAR or other activities prohibited by the TDO. Doing so is consistent with the public interest to preclude future violations of the EAR.

Evans Meridians' export privileges are being temporarily denied on an *ex parte* basis without a hearing based upon BIS's showing of an imminent violation in accordance with § 766.24 of the Regulations.

It is therefore ordered:

First, that 3K AVIATION CONSULTING & LOGISTICS, a/k/a 3K HAVACILIK VE DANISMANLIK SAN. TIC. LTD. ST., Biniciler Apt. Savas Cad. No. 18/5, Sirinyali Mah. 07160, Antalya, Turkey, and Sonmez Apt. Box 3321, Road Town, Tortola, British Virgin Islands; and when acting for or on their behalf, any successors or assigns, agents, or employees (each a "Denied Person" and collectively the "Denied Persons") may not, directly or indirectly, participate in any way in any transaction involving any commodity, software or technology (hereinafter collectively referred to as "item") exported or to be exported from the United States that is subject to the Export Administration Regulations ("EAR"), or in any other activity subject to the EAR including, but not limited to:

A. Export or reexport to or on behalf of a Denied Person any item subject to the EAR;

E. Engage in any transaction to service any item subject to the EAR that has been or will be exported from the United States and which is owned, possessed or controlled by a Denied Person, or service any item, of whatever origin, that is owned, possessed or controlled by a Denied Person if such service involves the use of any item subject to the EAR that has been or will be exported from the United States. For purposes of this paragraph, servicing means installation, maintenance, repair, modification or testing.

Third, that, after notice and opportunity for comment as provided in § 766.23 of the EAR, any other person, firm, corporation, or business organization related to a Denied Person by affiliation, ownership, control, or position of responsibility in the conduct of trade or related services may also be made subject to the provisions of this Order.

Dated: January 30, 2014.

David W. Mills,

Assistant Secretary of Commerce, for Export Enforcement.
