Surface Transportation Board

49 CFR Chapter X

[Docket No. EP 711]

Petition for Rulemaking to Adopt Revised Competitive Switching Rules

AGENCY: Surface Transportation Board, DOT.

ACTION: Notice of rescheduled public hearing.

SUMMARY: The Surface Transportation Board (the Board) will hold a public hearing to explore further the issues surrounding the petition by The National Industrial Transportation League (NITL) and the related comments filed in this proceeding.

DATES: The hearing will be held on March 25 and 26, 2014, beginning at 9:30 a.m., in the Hearing Room at the Board's headquarters located at 395 E Street SW., Washington, DC. The hearing will be open for public observation.

FOR FURTHER INFORMATION CONTACT: Valerie Quinn at (202) 245-0382. Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at (800) 877-8339.

SUPPLEMENTARY INFORMATION: By decision served on July 25, 2012, the Board began a proceeding to consider a proposal submitted by NITL to modify the Board's standards for mandatory competitive switching. Under the proposal, certain captive shippers located in terminal areas would be granted access to a competing railroad if there is a working interchange within a reasonable distance (30 miles under NITL's proposal). In its decision, the Board sought empirical information about the impact of the proposal if it were to be adopted. The Board received

numerous comments in response to its decision. In order to explore further NITL's proposal and the issues raised in the submitted comments, the Board scheduled a public hearing for October 22, 2013. The Board received numerous notices of intent to participate in that hearing. By decision served on October 16, 2013, the Board postponed the hearing due to the Government shutdown. The Board is now rescheduling the hearing for March 25 and 26, 2014.

Additional information—including the schedule of appearances and time allotments—is contained in the Board's decision, which is available on our Web site, <http://www.stb.dot.gov>. Copies of the decision may be purchased by contacting the Office of Public Assistance, Governmental Affairs, and Compliance at (202) 245-0238.

Assistance for the hearing impaired is available through FIRS at (800) 877-8339.

This action will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

A public hearing in this proceeding will be held on March 25 and 26, 2014, at 9:30 a.m., in the Board's Hearing Room, at 395 E Street SW., Washington, DC, as described above.

Decided: February 3, 2014.

By the Board, Joseph H. Dettmar, Acting Director, Office of Proceedings.

Jeffrey Herzig,
Clearance Clerk.

SUPPLEMENTARY INFORMATION:

Background

The Service evaluated the classification status of gray wolves (*Canis lupus*) currently listed in the contiguous United States and Mexico under the Endangered Species Act (ESA) of 1973, as amended (16 U.S.C. 1531 *et seq.*). Based on our evaluation, we published a proposed rule on June 13, 2013 (78 FR 35664), to remove the gray wolf from the List of Threatened and Endangered Wildlife but to maintain endangered status for the Mexican wolf by listing it as a subspecies (*C. l. baileyi*). We proposed these actions because we determined that the best available scientific and commercial information indicates that the currently listed entity is not a valid species under the ESA and that the Mexican wolf (*C. l. baileyi*) warrants listing as an endangered subspecies.

Upon publication of the proposed rule (June 13, 2013, 78 FR 35664), the Service opened the public comment period on the proposal. On September 5 and October 2, 2013, we announced public hearings on the proposed rule (78 FR 54614 and 78 FR 60813). The September 5 notice also extended the

public comment period for the proposed rule to October 28, 2013. Following delays caused by the Federal Government lapse in appropriations, the Service announced rescheduled dates for three of the public hearings, scheduled a fifth public hearing, and extended the public comment period for the proposed rule to December 17, 2013 (78 FR 64192, October 28, 2013). The Service is now reopening the public comment period on the proposal in conjunction with the submission of the peer review report.

In accordance with the Service's July 1, 1994 peer review policy (59 FR 34270) and the Office of Management and Budget's December 16, 2004, Final Information Quality Bulletin for Peer Review, the Service subjected this proposal to independent expert peer review. The purpose of seeking independent peer review is to ensure use of the best scientific and commercial information available and to ensure and maximize the quality, objectivity, utility, and integrity of the information upon which the proposal is based, as well as to ensure that reviews by qualified experts are incorporated into the rulemaking process. The National Center for Ecological Analysis and Synthesis (NCEAS), a research center located at the University of California, Santa Barbara, sponsored this peer review. Additional information on the nature of the peer review can be found in the statement of work at: http://www.fws.gov/science/pdf/Gray_Wolf_Proposed_Delisting_SOW_Peer_Review_12-13-2013_Final.pdf.

We intend that any final action resulting from the proposed rule will be based on the best scientific and commercial data available and be as accurate and as effective as possible. Therefore, we request comments or information from other concerned governmental agencies, tribes, the scientific community, industry, or other interested parties concerning the proposed rule. We request that you make your comments as specific as possible and explain the basis for them. In addition, please include sufficient information with your comments to allow us to authenticate any scientific or commercial data you reference or provide.

Our final determination concerning the proposed action will take into consideration all written comments we receive during all comment periods, comments from peer reviewers, and comments received during the public hearings.
