#### SUPPLEMENTARY INFORMATION:

##### Postponement of Preliminary Determination

On September 25, 2013, the Department of Commerce (the "Department") initiated an antidumping duty investigation on chlorinated isocyanurates from Japan.<sup>1</sup> The *Initiation Notice* stated that the Department, in accordance with section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the "Act"), and 19 CFR 351.205(b)(1), would issue its preliminary determination for this investigation, unless postponed, no later than 140 days after the date of the initiation.<sup>2</sup> In addition, the Department tolled deadlines by 16 days due to the shutdown of the Federal Government.<sup>3</sup> Thus, the preliminary determination of this antidumping duty investigation is currently due no later than February 21, 2014.

#### Lightweight Thermal Paper From Germany: Preliminary Results of the First Full Sunset Review of the Antidumping Duty Order

**AGENCY:** Enforcement and Compliance, formerly Import Administration,

International Trade Administration, Department of Commerce.

**SUMMARY:** On October 1, 2013, the Department of Commerce (the Department) initiated the first five-year (sunset) review of the antidumping duty (AD) order on lightweight thermal paper from Germany pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).<sup>1</sup> On the basis of adequate substantive responses submitted by domestic and respondent interested parties, the Department is conducting a full sunset review of this AD order pursuant to section 751(c) of the Act and 19 CFR 351.218(e)(2). As a result of our analysis, the Department preliminarily finds that revocation of the AD order would likely lead to continuation or recurrence of dumping at the levels indicated in the “Preliminary Results of Review” section of this notice. Interested parties are invited to comment on these preliminary results.

**DATES:** Effective February 10, 2014.

**FOR FURTHER INFORMATION CONTACT:** David Goldberger, AD/CVD Operations, Office II, Enforcement and Compliance, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-4136.

#### **SUPPLEMENTARY INFORMATION:**

#### **Background**

On October 1, 2013, the Department initiated the first sunset review of the AD order on lightweight thermal paper from Germany pursuant to section 751(c) of the Act.<sup>2</sup> On October 28, 2013, the Department received a notice of intent to participate from Appvion, Inc. (Appvion<sup>3</sup>), a domestic manufacturer of lightweight thermal paper within the 15-day deadline specified in 19 CFR 351.218(d)(1)(i).<sup>4</sup>

On November 18, 2013, the Department received substantive responses from Appvion and Papierfabrik August Koehler SE

(Koehler), a German producer of lightweight thermal paper, within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). The Department received rebuttal comments from Appvion and Koehler on November 25, 2013 in accordance with 19 CFR 351.218(d)(4).

On December 4, 2013, the Department issued its adequacy determination memorandum. The Department found that Appvion and Koehler submitted adequate substantive responses. As a result, the Department is conducting a full sunset review of this AD order.<sup>5</sup> The Department did not receive comments on the adequacy determination memorandum from any party to this review.

#### **Scope of the Order**

The merchandise covered by the order is lightweight thermal paper. The merchandise subject to the order is currently classified under the following Harmonized Tariff Schedule of the United States (HTSUS) subheadings: 3703.10.60, 4811.59.20, 4811.90.8000, 4811.90.8030, 4811.90.8040, 4811.90.8050, 4811.90.9000, 4811.90.9030, 4811.90.9035, 4811.90.9050, 4811.90.9080, 4811.90.9090, 4820.10.20, and 4823.40.00. While the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the order is dispositive.

For a full description of the scope, see “Preliminary Results Issues and Decision Memorandum for the Full Sunset Review of the Antidumping Duty (AD) Order on Lightweight Thermal Paper from Germany,” dated concurrently with this notice (Decision Memorandum).

#### **Analysis of Comments Received**

All issues raised in this review are addressed in the Decision Memorandum, dated concurrently with this preliminary notice, which is hereby adopted by this notice. The issues discussed in the accompanying Decision Memorandum include the likelihood of the continuation of dumping, the magnitude of the margin likely to prevail, and good cause to examine other factors. Parties can find a complete discussion of all issues raised in this full sunset review and the corresponding recommendations in this

<sup>1</sup> See *Initiation of Five-Year (“Sunset”) Review*, 78 FR 60253 (October 1, 2013) (*Sunset Initiation*).

<sup>2</sup> See *Sunset Initiation*.

<sup>3</sup> Appvion (formerly Appleton Papers) was the petitioner in the original investigation of lightweight thermal paper from Germany. See *Lightweight Thermal Paper from Germany: Notice of Final Determination of Sales at Less Than Fair Value*, 73 FR 57326 (October 2, 2008) (*LTFV Final*).

<sup>4</sup> As explained in the memorandum from the Assistant Secretary for Enforcement and Compliance, the Department exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from October 1, through October 16, 2013. See Memorandum for the Record from Paul Piquado, Assistant Secretary for Enforcement and Compliance, “Deadlines Affected by the Shutdown of the Federal Government” (October 18, 2013). Therefore, all deadlines in this sunset review have been extended by 16 days.

<sup>4</sup> See Letter from Petitioners to the Secretary of Commerce, “Antidumping Duty Investigation of Chlorinated Isocyanurates from Japan—Petitioners’ Request for Extension of Time for Preliminary Determination,” dated January 15, 2014.

<sup>5</sup> The postponed deadline, calculated as 190 days from September 25, 2013 (the date of publication of the *Initiation Notice*) plus the 16 days tolled for the shutdown of the Federal Government, falls on April 12, 2014, a Saturday, which is not a business day. Therefore, the postponed deadline is the next business day, which is Monday, April 14, 2014. See *Notice of Clarification: Application of “Next Business Day” Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*. 70 FR 24533 (May 10, 2008).
