

publication of this notice in accordance with 19 CFR 351.224(b).

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance no later than seven days after the date on which the final verification report is issued in this proceeding and rebuttal briefs, limited to issues raised in case briefs, may be submitted no later than five days after the deadline date for case briefs.⁵ Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, or to participate if one is requested, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce. All documents must be filed electronically using IA ACCESS. An electronically filed request must be received successfully in its entirety by IA ACCESS, by 5:00 p.m. Eastern Standard Time, within 30 days after the date of publication of this notice.⁶ Requests should contain the party's name, address, and telephone number, the number of participants, and a list of the issues to be discussed. If a request for a hearing is made, the Department intends to hold the hearing at the U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230, at a time and date to be determined. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

Suspension of Liquidation

In accordance with section 733(d)(2) of the Act, we are directing U.S. Customs and Border Protection (CBP) to suspend liquidation of all entries of OCTG from Taiwan as described in the scope of the investigation section entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the **Federal Register**, except for those produced and exported by Chung Hung Steel Corp. Because the estimated weighted-average dumping margin for Chung Hung Steel Corp. is zero, we are not directing CBP to suspend liquidation of entries of the merchandise it produced and exported.

We will instruct CBP to require a cash deposit equal to the weighted-average

amount by which the normal value exceeds export price, as indicated in the chart above.⁷ These suspension of liquidation instructions will remain in effect until further notice.

Postponement of Final Determination and Extension of Provisional Measures

Pursuant to requests from Chung Hung Steel Corp. and Tension Steel Industries Co., Ltd., in this investigation, we are postponing the final determination. Accordingly, we will issue our final determination no later than 135 days after the date of publication of this preliminary determination, pursuant to section 735(a)(2) of the Act.⁸ Further, Chung Hung Steel Corp. and Tension Steel Industries Co., Ltd., requested to extend the application of the provisional measures prescribed under section 733(d) of the Act and 19 CFR 351.210(e)(2), from a four-month period to a six-month period. The suspension of liquidation described above will be extended accordingly.

International Trade Commission (ITC) Notification

In accordance with section 733(f) of the Act, we have notified the ITC of our preliminary affirmative determination of sales at LTFV. Because the preliminary determination in this proceeding is affirmative, section 735(b)(2) of the Act requires that the ITC make its final determination as to whether the domestic industry in the United States is materially injured, or threatened with material injury, by reason of imports of OCTG from Taiwan before the later of 120 days after the date of this preliminary determination or 45 days after our final determination. Because we are postponing the deadline for our final determination to 135 days from the date of publication of this preliminary determination, as discussed above, the ITC will make its final determination no later than 45 days after our final determination.

This determination is issued and published in accordance with sections 733(f) and 777(i)(1) of the Act and 19 CFR 351.205(c).

⁷ See *Modification of Regulations Regarding the Practice of Accepting Bonds During the Provisional Measures Period in Antidumping and Countervailing Duty Investigations*, 76 FR 61042 (October 3, 2011).

⁸ See also 19 CFR 351.210(b)(2) and (e).

Dated: February 14, 2014.

Paul Piquado,

Assistant Secretary for Enforcement and Compliance.
