POSTAL REGULATORY COMMISSION

[Docket No. CP2014–27; Order No. 1996]

Changes in Postal Rates for Certain Mail in Alaska

AGENCY: Postal Regulatory Commission.
ACTION: Notice.

SUMMARY: The Commission is noticing a recent Postal Service filing concerning changes in rates of general applicability for the competitive Standard Post product. The changes are associated with a new price category identified as Limited Overland Routes. This notice

informs the public of the filing, invites public comment, and takes other administrative steps.

DATES: *Comments are due:* March 5, 2014.

ADDRESSES: Submit comments electronically via the Commission's Filing Online system at <http://www.prc.gov>. Those who cannot submit comments electronically should contact the person identified in the **FOR FURTHER INFORMATION CONTACT** section by telephone for advice on filing alternatives.

FOR FURTHER INFORMATION CONTACT: Brian Corcoran, Acting General Counsel, at 202–789–6820.

SUPPLEMENTARY INFORMATION: On February 14, 2014, the Postal Service filed notice with the Commission of changes in rates of general applicability for the competitive Standard Post product.¹ Attached to the Notice is Governors' Decision No. 14–01, which establishes the changes.² The changes are scheduled to take effect on March 20, 2014. Notice at 1.

The changes introduce a new price category—Limited Overland Routes—for the Standard Post product.³ The new price category applies to pieces delivered to or from intra-Alaska ZIP Codes not connected by overland routes. Governors' Decision at 1. The Governors' Decision indicates that Standard Post classification and price changes implemented on January 26, 2014 have had a disproportionate impact on certain intra-Alaska Standard Post users, who typically send heavier than average Standard Post pieces within Zones 1–5. *Id.*

The Postal Service indicates that the price changes would set the prices for the Limited Overland Routes category at prices equal to those in effect last year. Notice at 1. It states that the new price category will only apply to a small, discrete number of designated ZIP Codes with low volume. *Id.*

¹ Notice of the United States Postal Service of Changes in Rates of General Applicability for a Competitive Product, Established in Governors' Decision No. 14–1, February 14, 2014 (Notice). Pursuant to 39 U.S.C. 3632(b)(2), the Postal Service is obligated to publish the Governors' Decision and record of proceedings in the **Federal Register** at least 30 days before the effective date of the new rates or classes.

² Decision of the Governors of the United States Postal Service on Changes in Rate and Class of General Applicability for Standard Post (Governors' Decision No. 14–01), February 14, 2014 (Governors' Decision).

³ Governors' Decision at 1. The proposed changes to the Mail Classification Schedule also include a minor clarifying change to a footnote in the Standard Post price table. Proposed Changes to Mail Classification Schedule (appended to Notice), February 14, 2014, at 4.
