**Section 184 Indian Housing Loan Guarantee Program Increase in the Loan Guarantee Fee**

**AGENCY:** Office of the Assistant Secretary for Public and Indian Housing, HUD.

**ACTION:** Notice.

**SUMMARY:** The Section 184 Indian Housing Loan Guarantee program (Section 184 program) provides access to sources of private financing for Indian families, Indian housing authorities, and Indian tribes that otherwise could not acquire housing financing because of the unique legal status of Indian land. Because title to trust or restricted land is inalienable, title cannot be conveyed to eligible Section 184 program borrowers. As a consequence, financial institutions cannot utilize the land as security in mortgage lending transactions. The Section 184 program addresses obstacles to mortgage financing on trust land and in other Indian and Alaska Native areas by giving HUD the authority to guarantee loans to eligible persons and entities to construct, acquire, refinance, or rehabilitate one-to-four family dwellings in these areas.

The Section 184 Loan Guarantee Fund (the Fund) receives annual appropriations to cover the cost of the program. Guarantee fees and any other amounts, claims, notes, mortgages, contracts, and property acquired by the Secretary under the Section 184 program reduce the amount of appropriations needed to support the program, and together with appropriations are used to fulfill obligations of the Secretary with respect to the loans guaranteed under this section.

In recent years, rapidly growing demand has increased the need for subsidy appropriations to support new loan guarantees. HUD issued loan guarantee commitments for $307 million in 2008, $508 million in 2009,
