

II. SSA submitted the information collections below to OMB for clearance. Your comments regarding the information collections would be most useful if OMB and SSA receive them 30 days from the date of this publication. To be sure we consider your comments, we must receive them no later than April 9, 2014. Individuals can obtain copies of the OMB clearance packages by writing to OR.Reports.Clearance@ssa.gov.

1. State Mental Institution Policy Review Booklet—20 CFR 404.2035, 404.2065, 416.635, & 416.665—0960–0110. SSA uses Form SSA–9584–BK: (1) To determine if the policies and practices of a state mental institution acting as a representative payee for SSA beneficiaries conform to SSA's regulations in the use of benefits; (2) to confirm institutions are performing other duties and responsibilities required of representative payees; and

(3) as the basis for conducting onsite reviews of the institutions and preparing subsequent reports of findings. The respondents are state mental institutions serving as representative payees for Social Security beneficiaries and Supplemental Security Income (SSI) recipients.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA–9584–BK	78	1	60	78

2. Modified Benefit Formula Questionnaire-Employer—20 CFR 401 & 402—0960–0477. Sections 215(a)(7) and 215(d)(3) of the Act require SSA to use the Windfall Elimination Provision (WEP), a modified benefit formula, to compute Social Security retirement or disability benefits for persons first eligible (after 1985) for both a Social

Security benefit and a pension or annuity, based on employment not covered by Social Security. SSA determines if the WEP is applicable and when to apply it to a person's benefit. SSA uses Form SSA–58 to verify the claimant's allegations on Form SSA–150 (OMB No. 0960–0395, Modified Benefits Formula Questionnaire). SSA sends the

SSA–58 to an employer for pension-related information, if the claimant is unable to provide it. The respondents are employers of people who are eligible after 1985 for both Social Security benefits and a pension based on work not covered by SSA.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA–58	30,000	1	20	10,000

3. Employee Work Activity Questionnaire—20 CFR 404.1574, 404.1592—0960–0483. Social Security disability beneficiaries and SSI recipients qualify for payments when a verified physical or mental impairment prevents them from working. If disability claimants attempt to return to work after receiving payments, but are unable to continue working, they submit

the SSA–3033, Employee Work Activity Questionnaire, so SSA can evaluate their work attempt. SSA also uses this form to evaluate unsuccessful subsidy work and determine applicants' continuing eligibility for disability payments. The respondents are employers of Social Security disability beneficiaries and SSI recipients who

unsuccessfully attempted to return to work.
