Forest Service

Title: Federal Excess Personal and Firefighter Property Program Administration.

OMB Control Number: 0596-0223.

Summary of Collection: Federal Excess Personal Property (FEPP) and Firefighter Property (FFP) programs provide state (including US territories) forestry agencies the opportunity to obtain excess Department of Defense and other Federal agencies equipment and supplies to be used in firefighting and emergency services. The authority to provide excess supplies to state agencies comes from Federal Property and Administration Services Act of 1949, as amended, 40 U.S.C., Sec 202. Authority to loan excess supplies comes from 10 U.S.C., Subtitle A, Part IV, Chapter 153, 2576b grants the authority for the FFP.

Forest Service is merging burden from approved OMB 0596-0218, "Federal Excess Personal Property" into the renewal of this collection.

Need and Use of the Information: Each state designates an Accountable Officer who is responsible for the integrity of the program within their respective state and completing the necessary documentation for each program in which the state participates. For this reason FEPP and FFP collects the state forestry agency contact information and the information of the Accountable Officer. Cooperative Agreement forms FS-3100-10 and/or FS-3100-11 are used to collect the required information from the participating state agency that outlines the requirements and rules for the cooperation. Participating state agencies must submit separate agreements if they desire to participate in both programs.
