

## G. Scoping Process

Written comments received in response to this notice will be analyzed to complete the identification of the need to change the existing plan, further develop the proposed action, and identify potential significant issues. Significant issues will, in turn, form the basis for developing alternatives to the proposed action. Comments on the preliminary need to change and proposed action will be most valuable if received by April 28, 2014, and should clearly articulate the reviewer's opinions and concerns. Comments received in response to this notice, including the names and addresses of those who comment, will be part of the public record. Comments submitted anonymously will be accepted and considered, however, see Section I concerning the Objection process and the requirements for filing an objection. Refer to the Forest's Web site ([www.fs.usda.gov/goto/nfsnc/nprevision](http://www.fs.usda.gov/goto/nfsnc/nprevision)) for information on when public meetings will be scheduled for refining the proposed action and identifying possible alternatives to the proposed action.

## H. Applicable Planning Rule

Preparation of the revised forest plan for the Nantahala and Pisgah National Forests began with the publication of a Notice of Initiation in the **Federal Register** on October 3, 2013 [78 FR 61329] and was initiated under the planning procedures contained in the 2012 Forest Service planning rule (36 CFR 219 (2012)).

## I. Decision Will Be Subject to Objection

The decision to approve the Revised Land Management Plan for the Nantahala and Pisgah National Forests will be subject to the Objection process identified in 36 CFR Part 219 Subpart B (219.50 to 219.62). According to 36 CFR 219.53(a), those who may file an objection are individuals and entities who have submitted substantive formal comments related to a plan revision during the opportunities provided for public comment during the planning process.

## J. Permits or Licenses Required To Implement the Proposed Action

No permits or licenses are needed for the development of a Land and Resource Management Plan.

## K. Documents Available for Review

The complete Preliminary Need for Change document, the Assessment Report including specialist reports, summaries of the public meetings and public meeting materials, and public

comments are posted on the Forest's Web site at: [www.fs.usda.gov/goto/nfsnc/nprevision](http://www.fs.usda.gov/goto/nfsnc/nprevision). As necessary or appropriate, the material available on this site will be further adjusted as part of the planning process using the provisions of the 2012 planning rule.
