### Forest Service

#### Notice of Public Meeting

**AGENCY:** Forest Service, USDA.

**ACTION:** Notice of public meeting.

**SUMMARY:** The Department of Agriculture, Forest Service will hold a workshop entitled "Cellulose Nanomaterial—A Path Towards Commercialization" on May 20–21, 2014 in collaboration with and co-sponsored by the National Nanotechnology Initiative (NNI). The workshop is intended to bring together executives and experts from the federal government, academia, and private sector to identify critical information gaps that need to be filled and technical barriers that need to be overcome to enable the commercialization of cellulose nanomaterials. Workshop presenters and participants will identify pathways for the commercialization of cellulosic nanomaterials and the workshop will facilitate communication across multiple industry sectors; between users and cellulose nanomaterials producers; and among government, academia and industry to determine common challenges. An important goal of the workshop is to identify the critical information gaps and technical barriers in the commercialization of cellulose nanomaterials from the perspective of nanocellulose user communities. The outcomes of the workshop are expected to be used to guide federal government and private sector investments in nanocellulose research and development. The workshop also supports the announcement last December by USDA Secretary Thomas Vilsack regarding the formation of a public private-partnership to rapidly advance the commercialization of cellulose nanomaterials. The USDA announcement can be found at: <http://www.usda.gov/wps/portal/usda/usdahome?contentid=2013%2F12%2F0235.xml>.

This workshop also supports the goals of the NNI Sustainable Nanomanufacturing Signature Initiative.

**DATES:** The Workshop will be held Tuesday, May 20, 2014 from 8:00 a.m. until 5:00 p.m. and on Wednesday, May 21, 2014 from 8:00 a.m. until 5:00 p.m.

**ADDRESSES:** The workshop will be held at the USDA Conference & Training Center, Patriots Plaza III, 355 E Street SW., Washington, DC 20024.

**SUPPLEMENTARY INFORMATION:** GIPSA previously announced an opportunity for designation in unassigned areas of Southeast Texas in the **Federal Register** on September 27, 2013 (78 FR 59647). Applications were due by October 28, 2013. GIPSA received seven comments, representing five grain companies and two trade associations. All commenters supported Gulf Country Grain Inspection Service, Inc. (Gulf Country) designation for the geographical area announced in the **Federal Register** on September 27, 2013. Five commenters specifically recommended that Gulf Country's designation be expanded to include the Rio Grande Valley geographical area in South Texas. Two of those five commenters stated that Gulf Country could provide an equal or greater level of service at a better cost than GIPSA. Accordingly, GIPSA is announcing the opportunity for designation for unassigned areas of Southeast Texas including additional geographical area in South Texas.
