Depending on the number of commenters, the Advisory Board may limit the length of comments. At previous meetings, comments have been limited to 3 minutes in length; however, this time may vary. Speakers are requested to submit a written copy of their statement to the address listed in the “ADDRESSES” section above or bring a written copy to the meeting. There may be a webcam present during the entire meeting and individual comments may be recorded. Participation in the Advisory Board meeting is not a prerequisite for submission of written comments. The BLM considers comments that are either supported by quantitative information or studies or those that include citations to and analysis of applicable laws and regulations to be the most useful and likely to influence the BLM’s decisions on the management and protection of wild horses and burros.
