

standard lease stipulations required by the Bridger-Teton National Forest Land and Resource Management Plan. For example, a combination of No Surface Occupancy, Timing Limitation, Controlled Surface Use, Conditional No Surface Occupancy, and the Jackson Hole Area Oil and Gas Lease stipulations may be used depending upon resource issues. The Bureau of Land Management may add additional stipulations in accordance with the applicable resource management plan. Future oil and gas exploration and development would occur in accordance with procedures established under an approved Federal oil and gas unit agreement.

*Alternative 4:* Implement Forest Plan Leasing Availability Decision with No Surface Occupancy. The Forest Service would not object to the Bureau of Land Management offering for sale leases within these specific parcels with a No Surface Occupancy stipulation. Future oil and gas exploration and development would occur in accordance with procedures established under an approved Federal oil and gas unit agreement.

#### Lead and Cooperating Agencies

The Forest Service is the lead agency. The Bureau of Land Management, the State of Wyoming, and Sublette County are cooperating agencies.

#### Responsible Official

This corrected NOI updates the responsible officials for this project. The Forest Service responsible official for this decision [36 CFR 228.102(d)] is Clinton D. Kyhl, Bridger-Teton National Forest Supervisor, Bridger-Teton National Forest, 340 N. Cache (P.O. Box 1888), Jackson, Wyoming 83001. The Bureau of Land Management responsible official for final decision (43 CFR 3101.7) relative to the issuance or disposition of the leases and lease parcels is Donald A. Simpson, State Director, Bureau of Land Management—Wyoming State Office, 5353 Yellowstone (P.O. Box 1828), Cheyenne, Wyoming 82009.

#### Nature of Decision To Be Made

The decision to be made is whether the Forest Service objects or does not object to the Bureau of Land Management offering for sale oil and gas leases on these specific parcels, and under what terms and conditions. This decision will supersede prior Forest Service decisions regarding oil and gas leasing on these specific parcels. Based upon the Forest Service's decision, the Bureau of Land Management will decide which parcels would be offered for lease

with appropriate stipulations, which parcels will be deferred, which parcels are not available for leasing, and which parcels are canceled.

### Foreign-Trade Zones Board

[Docket B-58-2013]

#### Foreign-Trade Zone (FTZ) 83—Huntsville, Alabama; Application for Production Authority, Toray Carbon Fibers America, Inc., Opening of Comment Period on New Evidence

An application has been submitted to the Foreign-Trade Zones Board by the Huntsville-Madison County Airport Authority, grantee of FTZ 83, requesting production authority on behalf of Toray Carbon Fibers America, Inc. (Toray), located in Decatur, Alabama. Toray is requesting authority to produce polyacrylonitrile (PAN) fiber and PAN-based carbon fiber under FTZ procedures. The Toray facility produces carbon fiber from both proprietary, domestically-produced PAN and foreign-sourced PAN.

On March 7, 2014, Toray made a submission to the FTZ Board that included new evidence in response to the examiner's preliminary recommendation for approval with a restriction requiring re-export of all foreign-status PAN. Public comment is invited on Toray's new evidence through April 21, 2014. Rebuttal comments may be submitted during the subsequent 15-day period, until May 5, 2014. Submissions shall be addressed to the FTZ Board's Executive Secretary at: Foreign-Trade Zones Board, U.S. Department of Commerce, Room 21013, 1401 Constitution Ave. NW., Washington, DC 20230.

A copy of Toray's March 7, 2014, submission will be available for public inspection at the address above, and in the "Reading Room" section of the FTZ Board's Web site, which is accessible via [www.trade.gov/ftz](http://www.trade.gov/ftz).

### Foreign-Trade Zones Board

[B-22-2014]

#### Foreign-Trade Zone 26—Atlanta, Georgia, Application for Additional Production Authority, PBR, Inc. d/b/a SKAPS Industries, (Non-Woven Geotextiles), Athens, Georgia

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the Georgia Foreign-Trade Zone, Inc., grantee of FTZ 26, requesting additional production authority on behalf of PBR, Inc. d/b/a SKAPS Industries (SKAPS), located in Athens, Georgia. The application conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.23) was docketed on March 12, 2014.

The SKAPS facilities (185 employees) are located within Site 29 of FTZ 26. The facilities are used for the production of non-woven geotextile fabric using polypropylene staple fiber. SKAPS requested FTZ production authority in a notification proceeding (15 CFR 400.22) in 2013 (see, 78 FR 54234, 9-3-2013; Doc. B-37-2013). After an initial review, the requested production authority was limited to a five-year initial term, as well as a restriction that precludes inverted tariff benefits on foreign polypropylene staple fiber used in production of non-woven geotextile fabrics for U.S. consumption.

The pending application seeks to remove the above-mentioned restriction by requesting authority for SKAPS to choose the duty rate during customs entry procedures that applies to non-woven geotextile fabrics (duty rate—free) for the polypropylene staple fiber (duty rate—4.3%) sourced from abroad. The request indicates that the savings related to inverted tariff benefits on polypropylene staple fiber used in production for the U.S. market would further improve the facilities' international competitiveness.

In accordance with the FTZ Board's regulations, Pierre Duy of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary at the address below. The closing period for their receipt is May 20, 2014. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to May 20, 2014.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the FTZ Board's Web site, which is accessible via [www.trade.gov/ftz](http://www.trade.gov/ftz).

Pursuant to its authority under the Foreign-Trade Zones Act of June 18, 1934, as amended (19 U.S.C. 81a-81u), the Foreign-Trade Zones Board (the Board) adopts the following Order:

*Whereas*, the Foreign-Trade Zones Act provides for ". . . the establishment . . . of foreign-trade zones in ports of entry of the United States, to expedite and encourage foreign commerce, and for other purposes," and authorizes the Foreign-Trade Zones Board to grant to qualified corporations the privilege of establishing foreign-trade zones in or adjacent to U.S. Customs and Border Protection ports of entry;

*Whereas*, the Board adopted the alternative site framework (ASF) (15 CFR Sec. 400.2(c)) as an option for the establishment or reorganization of zones;

*Whereas*, Ontario County, New York (the Grantee) has made application to the Board (B-80-2013, docketed 8/22/2013), requesting the establishment of a foreign-trade zone under the ASF with a service area of Ontario, Wayne, Seneca, Yates, Steuben, and Livingston Counties, New York, adjacent to the Rochester Customs and Border Protection port of entry, with an initial proposed subzone under the ASF;

*Whereas*, notice inviting public comment has been given in the **Federal Register** (78 FR 53127, August 28, 2013) and the application has been processed pursuant to the FTZ Act and the Board's regulations; and,

*Whereas*, the Board adopts the findings and recommendations of the examiner's report, and finds that the requirements of the FTZ Act and the Board's regulations would be satisfied if the ASF service area is limited to Ontario, Wayne, Seneca, Yates, and Livingston Counties;

*Now, therefore*, the Board hereby grants to the Grantee the privilege of establishing a foreign-trade zone, designated on the records of the Board as Foreign-Trade Zone No. 289, with a service area of Ontario, Wayne, Seneca, Yates, and Livingston Counties, and subject to the FTZ Act and the Board's regulations, including Section 400.13, to the Board's standard 2,000-acre activation limit, and to a three-year ASF sunset provision for subzones that would terminate authority for Subzone 289A if no foreign-status merchandise is admitted for a *bona fide* customs purpose within three years from the date of approval.

Signed at Washington, DC, this 7th day of March 2014.

**Penny Pritzker,**

Secretary of Commerce, Chairman and Executive Officer, Foreign-Trade Zones Board.
