

recognized American Indian tribes seeking to retain universities and colleges, private consulting firms, non-academic/non-profit entities, or others to prepare studies of economic development opportunities or plans. These studies and plans will empower American Indian tribes and tribal businesses to make informed decisions regarding their economic futures. Studies may concern the viability of an economic development project or business or the practicality of a technology a tribe may choose to pursue. The DED will specifically exclude from consideration proposals for research and development projects, requests for funding of salaries for tribal government personnel, funding to pay legal fees, and requests for funding for the purchase or lease of structures, machinery, hardware or other capital items. Plans may encompass future periods of five years or more and include one or more economic development factors including but not limited to land and retail use, industrial development, tourism, energy, resource development and transportation.

This is an annual program whose primary objective is to create jobs and foster economic activity within tribal communities. The DED will administer the program within IEED; and studies and plans as described herein will be sole discretionary projects DED will consider or fund absent a competitive bidding process. When funding is available, DED will solicit proposals for studies and plans. To receive these funds, tribes may use the contracting mechanism established by Public Law 93-638, the Indian Self-Determination Act or may obtain adjustments to their funding from the Office of Self-Governance. See 25 U.S.C. 450 *et seq.*

Interested applicants must submit a tribal resolution requesting funding, a statement of work describing the project for which the study is requested or the scope of the plan envisioned, the identity of the academic institution or other entity the applicant wishes to retain (if known) and a budget indicating the funding amount requested and how it will be spent. The DED expressly retains the authority to reduce or otherwise modify proposed budgets and funding amounts.

Applications for funding will be judged and evaluated on the basis of a proposed project's potential to generate jobs and economic activity on the reservation.

SUPPLEMENTARY INFORMATION:

I. Abstract

The BIE is seeking renewal of the approval for the information collection conducted under 25 CFR parts 30, 37, 39, 42, 44, and 47 under OMB Control Number 1076-0163. This information collection is necessary to implement Public Law 107-110, No Child Left Behind Act of 2001 (NCLB). The NCLB requires all schools, including Bureau-funded and operated schools, to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging academic achievement standards and assessments. The BIE has promulgated several regulations implementing the NCLB Act. This OMB Control Number addresses the following regulations.

- 25 CFR part 30—Adequately Yearly Progress (AYP). Tribes/school boards may request an alternative to the established AYP definition or standards. Tribes/school boards may provide evidence that BIE made an error in identifying the school for improvement. Achievement, attendance and graduation rates are collected from schools to facilitate yearly calculation of AYP.

- 25 CFR part 37—Geographic Boundaries. This part establishes procedures for confirming, establishing, or revising attendance areas for each Bureau-funded and operated school. Tribes and school boards must submit certain information to BIE to propose a change in geographic boundaries.

- 25 CFR 39—Indian School Equalization Program (ISEP). This part provides for the uniform direct funding of Bureau-operated and tribally operated day schools, boarding schools, and dormitories. Auditors of schools, to ensure accountability in student counts and student transportation, must certify that they meet certain qualifications and have conducted a conflict of interest check. Schools must submit information to BIE to apply for funds in the event of an emergency or unforeseen contingency.

- 25 CFR part 42—Student Rights. The purpose of this part is to govern student rights and due process procedures in disciplinary proceedings in all Bureau-funded and operated schools. This part requires all the schools to provide notice of disciplinary charges, provide a copy of the hearing of record, and provide a student handbook.

- 25 CFR part 44—Grants under the Tribally Controlled Schools Act. The purpose of this part is to establish who is eligible for a grant and requires tribes to submit information to BIE to retrocede a program to the Secretary.

- 25 CFR part 47—Uniform Direct Funding and Support for Bureau-operated Schools. This part contains the requirements for developing local educational financial plans in order to receive direct funding from the Bureau. This part requires school supervisors to submit quarterly reports to school boards; submit a notice of appeal to the BIE for a decision where agencies disagree over expenditures; make certain certifications in financial plans; and send the plan and documentation to the BIE or submit a notice of appeal.

There are no forms associated with collection. No third party notification or public disclosure burden is associated with this collection.

II. Request for Comments

The BIE requests your comments on this collection concerning: (a) The necessity of this information collection for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) The accuracy of the agency's estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) Ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) Ways we could minimize the burden of the collection of the information on the respondents.

Please note that an agency may not conduct or sponsor, and an individual need not respond to, a collection of information unless it displays a valid OMB Control Number.

It is our policy to make all comments available to the public for review at the location listed in the **ADDRESSES** section. Before including your address, phone number, email address or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying

information from public review, we cannot guarantee that we will be able to do so.
