SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-2833.

Extension:

Rule 30b1-5, OMB Control No. 3235-0577, SEC File No. 270-520.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 30b1-5 (17 CFR 270.30b1-5) under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) (the "Investment Company Act") requires registered management investment companies, other than small business investment companies registered on Form N-5 (17 CFR 239.24 and 274.5) ("funds"), to file a quarterly report via the Commission's EDGAR system on Form N-Q (17 CFR 249.332 and 274.130), not more than sixty calendar days after the close of each first and third fiscal quarter, containing their complete portfolio holdings. The purpose of the collection of information required by rule 30b1-5 is to meet the disclosure requirements of the Investment Company Act and to provide investors with information necessary to evaluate an interest in the fund by improving the transparency of information about the fund's portfolio holdings.

The Commission estimates that there are 2,460 management investment

companies, with a total of approximately 9,640 portfolios that are governed by the rule. For purposes of this analysis, the burden associated with the requirements of rule 30b1-5 has been included in the collection of information requirements of Form N-Q, rather than the rule.

The collection of information under rule 30b1-5 is mandatory. The information provided under rule 30b1-5 is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Thomas A. Bayer, Chief Information Officer, Securities and Exchange Commission, C/O Remi Pavlik-Simon, 100 F Street NE., Washington, DC 20549; or send an email to: PRA_Mailbox@sec.gov.

Dated: March 20, 2014.

Deputy Secretary.

BILLING CODE 8011–01–P

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549–0213.

Extension:

Rule 19b–7 and Form 19b–7, SEC File No. 270–495, OMB Control No. 3235–0553.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) (“PRA”), the Securities and Exchange Commission (“SEC” or “Commission”) is soliciting comments on the existing collection of information provided for in Rule 19b–7 (17 CFR 240.19b–7) and Form 19b–7—Filings with respect to proposed rule changes submitted pursuant to Section 19b(7) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) (“Exchange Act”). The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

The Exchange Act provides a framework for self-regulation under which various entities involved in the securities business, including national securities exchanges and national securities associations (collectively, self-regulatory organizations or “SROs”), have primary responsibility for regulating their members or participants. The role of the Commission in this framework is primarily one of oversight; the Exchange Act charges the Commission with supervising the SROs and assuring that each complies with and advances the policies of the Exchange Act.

The Exchange Act was amended by the Commodity Futures Modernization Act of 2000 (“CFMA”). Prior to the CFMA, federal law did not allow the trading of futures on individual stocks or on narrow-based stock indexes (collectively, “security futures products”). The CFMA removed this restriction and provided that trading in security futures products would be regulated jointly by the Commission and the Commodity Futures Trading Commission (“CFTC”).

The Exchange Act requires all SROs to submit to the SEC any proposals to amend, add, or delete any of their rules. Certain entities (Security Futures Product Exchanges) would be notice registered national securities exchanges only because they trade security futures products. Similarly, certain entities (Limited Purpose National Securities Associations) would be limited purpose national securities associations only because their members trade security futures products. The Exchange Act, as amended by the CFMA, established a procedure for Security Futures Product Exchanges and Limited Purpose National Securities Associations to provide notice of proposed rule changes relating to certain matters.¹ Rule 19b–7

¹ These matters are higher margin levels, fraud or manipulation, recordkeeping, reporting, listing standards, or decimal pricing for security futures

and Form 19b–7 implemented this procedure. Effective April 28, 2008, the SEC amended Rule 19b–7 and Form 19b–7 to require that Form 19b–7 be submitted electronically.²

The collection of information is designed to provide the Commission with the information necessary to determine, as required by the Exchange Act, whether the proposed rule change is consistent with the Exchange Act and the rules thereunder. The information is used to determine if the proposed rule change should remain in affect or abrogated.

The respondents to the collection of information are SROs. Three respondents file an average total of 5 responses per year.³ Each response takes approximately 12.5 hours to complete and each amendment takes approximately 3 hours to complete, which correspond to an estimated annual response burden of 62.5 hours ((5 rule change proposals × 12.5 hours) + (0 amendments × 3 hours)). The average cost per response is \$4,533 (11.5 legal hours multiplied by an average hourly rate of \$379⁵ plus 1 hour of paralegal work multiplied by an average hourly rate of \$175⁶). The total resulting related cost of compliance for respondents is \$22,668 per year (5 responses × \$4,533 per response).

Compliance with Rule 19b–7 is mandatory. Information received in response to Rule 19b–7 is not kept

products; sales practices for security futures products for persons who effect transactions in security futures products; or rules effectuating the obligation of Security Futures Product Exchanges and Limited Purpose National Securities Associations to enforce the securities laws. See 15 U.S.C. 78s(b)(7)(A).

² See Securities Exchange Act Release No. 57526 (March 19, 2008), 73 FR 16179 (March 27, 2008).

³ There are currently five Security Futures Product Exchanges and one Limited Purpose National Securities Association, the National Futures Authority. However, one Security Futures Product Exchange is dormant and two Security Futures Product Exchanges do not currently trade security futures products. Therefore, there are currently three respondents to Form 19b–7.

⁴ SEC staff notes that even though no amendments were received in the previous three years and that staff does not anticipate the receipt of any amendments, calculation of amendments is a separate step in the calculation of the PRA burden and it is possible that amendments are filed in the future. Therefore, instead of removing the calculation altogether, staff has shown the calculation as anticipating zero amendments.

⁶ The \$175 per hour figure for a Paralegal is from SIFMA’s *Management & Professional Earnings in the Securities Industry 2012*, modified by Commission staff to account for an 1800-hour work-year and multiplied by 5.35 to account for bonuses, firm size, employee benefits, and overhead.
