

to, a collection of information unless it displays a currently valid OMB control number. The **Federal Register** Notice with a 60-day comment period soliciting comments on this collection of information was published in the **Federal Register**, 79 FR 3777, on January 23, 2014.

Annual estimated burden for this proposed collection of information is estimated to average 3 hours per response for 96 Focus Group Studies respondents, 3 hours per response for 30 Audience Panels respondents, and 15 minutes (0.25 of an hour) per response for 300 Structured Surveys respondents, including average estimated time for travel to and from the facility where research activities are conducted. Respondents will be required to respond only one time for Focus Group Studies and Structured Surveys, but three 3 times for Audience Panels. Comments are requested on the proposed information collection concerning:

(a) Whether the proposed collection of information is necessary for the proper performance of the agency's functions, including whether the information collection has practical utility;

(b) the accuracy of the Agency's burden estimates;

(c) ways to enhance the quality, utility, and clarity of the information collected; and

(d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

Send comments regarding this burden estimate, or any other aspect of this collection of information, to Mr. Chris Luer, the BBG Clearance Officer, IBB/A, Room 1274, 330 Independence Avenue SW., Washington, DC 20237, telephone (202) 203-4595, e-mail address [cluer@bbg.gov](mailto:cluer@bbg.gov).

*Current Actions:* BBG is requesting reinstatement of this collection for a three-year period and approval for a revision to the burden hours.

*Title:* Surveys and Other Audience Research for Radio and TV Marti.

*Abstract:* Data from this information collection are used by BBG's Office of Cuba Broadcasting (OCB) in fulfillment of its mandate to evaluate effectiveness of Radio and TV Marti operations by estimating the audience size and composition for broadcasts. This information collection is also used to assess signal reception, credibility, and relevance of programming.

#### Proposed Frequency of Responses

Total Annual Responses – 96 Focus Group Studies + 90 Audience Panel + 300 Structured Surveys = 486

Average Hours per Response – 3 Focus Group Studies + 3 Audience Panel + .25 Structured Surveys = (288) + (270) + (75)

Total annual burden—633 hours

Dated: March 24, 2013.

## DEPARTMENT OF COMMERCE

### Foreign-Trade Zones Board

[B-27-2014]

#### Proposed Foreign-Trade Zone—Lake County, Florida, Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the City of Leesburg to establish a foreign-trade zone within Lake County, Florida, adjacent to the Leesburg Customs and Border Protection (CBP) user fee airport, under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new "subzones" or "usage-driven" FTZ sites for operators/users located within a grantee's "service area" in the context of the FTZ Board's standard 2,000-acre activation limit for a zone project. The application was submitted pursuant to
