SUPPLEMENTARY INFORMATION:

I. Abstract

Public Law 107-110, the No Child Left Behind (NCLB) Act of January 8, 2001, requires all schools including Bureau-funded boarding/residential schools to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging academic achievement standards and assessments. The NCLB Act, and implementing regulations at 25 CFR part 36, requires the Bureau to implement national standards for home-living situations in all Bureau-funded residential schools. The Bureau must collect information from all Bureau-funded residential schools in order to assess each school's progress in meeting the national standards. The Bureau is seeking renewal of the approval for this information collection to ensure that minimum academic standards for the education of Indian children and criteria for dormitory situations in Bureau-operated schools and Tribally-controlled contact and grant schools are met.
