SUPPLEMENTARY INFORMATION: This notice informs the public that HUD has submitted to OMB a request for approval of the information collection described in Section A. The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on December 27, 2013.

A. Overview of Information Collection

Title of Information Collection: HUD Environmental Review Online System (HEROS).

OMB Approval Number: 2506-New.

Type of Request: New collection.

Form Number: None.

Description of the need for the information and proposed use: 224 CFR Part 58, "Environmental Review Procedures for Entities Assuming HUD Environmental Responsibilities" requires units of general local government receiving HUD assistance to maintain a written environmental review record for all projects receiving HUD funding documenting compliance with the National Environmental Policy Act (NEPA), the regulations of the Council on Environmental Quality, related federal environmental laws, executive orders, and authorities, and Part 58 procedure. Various laws that

authorize this procedure are listed in 24 CFR 58.1(b).

In the past, HUD recipients were allowed to prepare their environmental review records using HUD recommended formats or equivalent formats. Now, HUD is developing a new online tool called the HUD Environmental Review Online System (HEROS), which will allow users to complete, store, and submit their environmental review records online. HUD's intention is HEROS will improve HUD's environmental reviews in a number of ways. First, it will replace HUD's many environmental review forms and requirements with one single format housed online with guidance integrated throughout to simplify the process and assist new employees in the preparation of their reviews. Second, HUD plans to increase transparency and overall compliance with NEPA by posting many environmental review records online for public review through HEROS. Finally, storing recipients' records in HEROS will allow HUD to collect data on environmental compliance for the first time. Once completed, HUD intends to make HEROS the only permitted format in most cases.

24 CFR Part 50, "Protection and Enhancement of Environmental Quality," implements procedures for HUD to perform environmental reviews for projects where Part 58 is not permitted by law. Under Part 50, HUD staff complete the environmental review records, but they may use any information supplied by an applicant or contractor, provided HUD independently evaluates the information and is responsible for its accuracy and prepares the environmental finding. There is no current format for applicants and contractors to submit required information, but HEROS would allow these parties to submit environmental information to HUD staff through the system as well. HUD staff will then use HEROS to complete the environmental review record.

Respondents: The respondents are state and local governments receiving HUD funding who are required to complete environmental reviews.

Estimation of the total number of hours to prepare the information collection including number of respondents, frequency of response and hours of response:

Information collection	Number of respondents	Frequency of response	Responses per annum	Burden hour per response	Annual burden hours	Hourly cost per response	Annual cost
Total	2,500	5	12,500	1	12,500	30	\$375,000

I. Background

HUD's mortgage insurance regulations at 24 CFR 207.254 provide as follows:

Notice of future premium changes will be published in the **Federal Register**. The Department will propose MIP changes for multifamily mortgage insurance programs and provide a 30-day public comment period for the purpose of accepting comments on whether the proposed changes are appropriate.

Under this regulation, HUD is required to publish a notice in the **Federal Register** for public comment only when there are premium changes. This notice announces that the FY 2015 MIPs are the same the FY 2014 MIPs, published in the **Federal Register** on September 20, 2013 (FR-5737-N-01). Since HUD is not seeking to implement any premium changes for FY 2015 for the mortgage insurance programs listed in this notice, HUD is not seeking public comment.

II. Positive Credit Subsidy Programs

The Department will continue to suspend issuance and reissuance of commitments under two programs that have previously required positive credit subsidy: Section 221(d)(3) New Construction/Substantial Rehabilitation (NC/SR) for Nonprofit/Cooperative Mortgagors without LIHTC and Section 223(d) Operating Loss Loans for Apartments.
