SUPPLEMENTARY INFORMATION: This proposal addresses the requirements in the ADEQ Dust Action General Permit (DAGP) in accordance with Arizona Revised Statute section 49-457.05. In the Rules and Regulations section of this **Federal Register**, we are approving this state requirement in a direct final action without prior proposal because we believe this SIP revision is not controversial. If we receive adverse comments, however, we will publish a timely withdrawal of the direct final rule and address the comments in subsequent action based on this proposed rule.

We do not plan to open a second comment period, so anyone interested in commenting should do so at this time. If we do not receive adverse comments, no further activity is planned. For further information, please see the direct final action.

Revisions to the Arizona State Implementation Plan

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: The Environmental Protection Agency (EPA) is proposing under the Clean Air Act to approve a revision to the Arizona Statutes portion of the Arizona State Implementation Plan (SIP). This revision concerns particulate matter (PM) emissions from dust generating operations that do not already have a permit within the Phoenix Planning area. We are proposing to approve a state statute that requires the Arizona Department of Environmental Quality to develop and adopt a general permit that specifies episodic best management practices that are to be implemented by certain dust-generating activities.

DATES: Any comments on this proposal must arrive by April 30, 2014.

ADDRESSES: Submit comments, identified by docket number EPA-R09-OAR-2012-0984, by one of the following methods:

1. *Federal eRulemaking Portal:* www.regulations.gov. Follow the on-line instructions.

2. *Email:* steckel.andrew@epa.gov.

3. *Mail or deliver:* Andrew Steckel (Air-4), U.S. Environmental Protection Agency Region IX, 75 Hawthorne Street, San Francisco, CA 94105-3901.

Instructions: All comments will be included in the public docket without change and may be made available online at www.regulations.gov, including any personal information provided, unless the comment includes Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Information that you consider CBI or otherwise protected should be clearly identified as such and should not be submitted through www.regulations.gov or email. www.regulations.gov is an “anonymous access” system, and EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send email directly to EPA, your email address will be automatically captured and included as part of the public comment. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment. Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses. *Docket:* Generally, documents in the docket for this action are available electronically at www.regulations.gov and in hard copy at EPA Region IX, 75 Hawthorne Street, San Francisco, California 94105-3901. While all documents in the docket are listed at www.regulations.gov, some information may be publicly available only at the hard copy location (e.g., copyrighted material, large maps), and some may not be publicly available in either location (e.g., CBI). To inspect the hard copy materials, please schedule an appointment during normal business hours with the contact listed in the **FOR FURTHER INFORMATION CONTACT** section.

FOR FURTHER INFORMATION CONTACT: Christine Vineyard, EPA Region IX, (415) 947-4125, vineyard.christine@epa.gov.

SUPPLEMENTARY INFORMATION: This proposal addresses the following state statute: A.R.S. section 49-457.05 (only A, B, D, and I), (“dust action general permit; best management practices;

applicability; definitions”). In the Rules and Regulations section of this **Federal Register**, we are approving this state statute in a direct final action without prior proposal because we believe this SIP revision is not controversial. If we receive adverse comments, however, we will publish a timely withdrawal of the direct final rule and address the comments in subsequent action based on this proposed rule.

We do not plan to open a second comment period, so anyone interested in commenting should do so at this time. If we do not receive adverse comments, no further activity is planned. For further information, please see the direct final action.

Approval and Promulgation of Air Quality Implementation Plans; Pennsylvania; Update of the Motor Vehicle Emissions Budgets for the Reading 1997 Eight-Hour Ozone National Ambient Air Quality Standard Maintenance Area

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: The Environmental Protection Agency (EPA) is proposing to approve revisions to the Commonwealth of Pennsylvania’s (Pennsylvania) State Implementation Plan (SIP). The revisions consist of an update to the SIP approved Motor Vehicle Emissions Budgets (MVEBs) for nitrogen oxides (NO_x) for the 1997 Eight-Hour Ozone National Ambient Air Quality Standard (NAAQS) SIP for Berks County (also referred to as the “Reading Maintenance Area”). Also as a part of this SIP revision is an update to the area and point source inventories for NO_x. In the Final Rules section of this **Federal Register**, EPA is approving the State’s SIP submittal as a direct final rule without prior proposal because the Agency views this as a noncontroversial submittal and anticipates no adverse comments. A detailed rationale for the approval is set forth in the direct final rule. If no adverse comments are received in response to this action, no
