BILLING CODE 4000-01-P

DEPARTMENT OF EDUCATION

Privacy Act of 1974; System of Records

AGENCY: Federal Student Aid, Department of Education.

ACTION: Notice of an altered system of records.

SUMMARY: In accordance with the Privacy Act of 1974, as amended (Privacy Act), the Chief Operating Officer for Federal Student Aid (FSA) of the Department of Education (Department) publishes this notice to revise the system of records entitled "National Student Loan Data System (NSLDS)" (18-11-06).

The Department revises to make necessary updates to the heading entitled "SYSTEM LOCATION" resulting from the Department's review of the system of records notice and to the heading entitled "CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM" in response to comments that the Department received regarding the Department's proposed revisions to the NSLDS system of records.

The Office of Management and Budget (OMB) Circular A-130, Appendix I, indicates that minor changes to systems of records need not be reported. In this notice, we are making minor changes to

the NSLDS system of records, as explained in the **SUPPLEMENTARY INFORMATION** section. Therefore, the Department has not filed a report describing the altered system of records covered by this notice with the Chair of the Senate Committee on Homeland Security and Governmental Affairs, the Chair of the House Committee on Oversight and Government Reform, or the Administrator of the Office of Information and Regulatory Affairs, OMB.

DATES: This altered system of records will become effective April 2, 2014.

SUPPLEMENTARY INFORMATION:

Introduction

The Privacy Act of 1974 (5 U.S.C. 552a(e)(4) and (11)) requires the Department to publish this notice of an altered system of records in the **Federal Register**. The Department's regulations implementing the Privacy Act are in the Code of Federal Regulations (CFR), in 34 CFR part 5b.

The Privacy Act applies to information about an individual that is maintained in a system of records from which information is retrieved by a unique identifier associated with each individual, such as a name or Social Security number (SSN). The information about each individual is called a "record," and the system, whether manual or computer-based, is called a "system of records."

The Privacy Act requires each Federal agency to publish a notice of a new or altered system of records in the **Federal Register** and to prepare, whenever the agency publishes a new system of records or makes a significant change to an established system of records, a report to the Chair of the Committee on Oversight and Government Reform of the House of Representatives, the Chair of the Committee on Homeland Security and Governmental Affairs of the Senate, and the Administrator of the Office of Information and Regulatory Affairs, OMB. A significant change must be reported whenever an agency expands the types or categories of information maintained, significantly expands the numbers, types, or categories of

individuals about whom records are maintained, changes the purposes for which the information is used, changes equipment configuration in a way that creates substantially greater access to the records, or adds a routine use disclosure to the system. The Department has not filed a report describing the altered system of records covered by this notice because the changes we are making are minor.

Revisions

On June 28, 2013, the Department published a notice of an altered system of records for NSLDS in the **Federal Register** (78 FR 38963) and requested comments on those revisions. We received a comment in response to the June 2013 NSLDS system of records notice; in part, the commenter objected that the Department does not have the legal authority to maintain in NSLDS the records of students who do not receive aid under the title IV of the Higher Education Act of 1965, as amended (HEA) and who attended, or who are attending, a gainful employment program at a postsecondary educational institution. We are revising the CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM section of the NSLDS system of records notice to clarify that the Department no longer will collect or maintain records of students who do not receive aid under title IV of the HEA and who attended, or who are attending a gainful employment program at a postsecondary educational institution in this system of records. The commenter also noted that we made a minor error in listing the date that the NSLDS was originally published in the **Federal Register** as being on December 27, 1999 (this was instead a date on which the NSLDS system of records notice was republished in full). The Department should have explained that the original system of records notice for NSLDS was published on June 29, 1994 (59 FR 33491), and altered on December 20, 1994 (59 FR 65532). We appreciate the commenter calling our attention to this and note that the full citation should read as follows: National Student Loan Data System (NSLDS)" (18–11–06), originally published on June 29, 1994 (59 FR 33491–33494), altered on December 20, 1994 (59 FR 65532–65535), republished on December 27, 1999 (64 FR 72395–72397), altered on September 7, 2010 (75 FR 54331–54336), altered on June 24, 2011 (76 FR 37095–37100), and most recently altered on June 28, 2013 (78 FR 38963–38969).

In addition, as a result of the Department's internal review of the system of records, we have determined

that we because the Department cannot retrieve records from NSLDS back-up tapes using individual identifiers. Consequently, the Department's back-up tapes should not have been listed as being part of the NSLDS system of records, as that term is defined in section (a)(5) of the Privacy Act of 1974, as amended (5 U.S.C. 552a(a)(5)), and therefore we are deleting the location where the back-up tapes are maintained under the SYSTEM LOCATION section.

AGENCY: Office of Energy Efficiency and Renewable Energy, Department of Energy.

ACTION: Notice of Petition for Waiver, Granting of Application for Interim Waiver, and Request for Public Comments.

SUMMARY: This notice announces receipt of and publishes the Empire Comfort Systems Inc. (Empire) petition for waiver from the U.S. Department of Energy (DOE) test procedure for determining the energy consumption of vented home heating equipment. The waiver request pertains to Empire's specified models of condensing-type vented heaters. The existing test procedure does not apply to condensing heaters. Empire asks that it be permitted to use the DOE test procedure proposed in the Notice of Proposed Rulemaking (NPR) for Direct Heating Equipment and Pool Heaters published in the **Federal Register** on October 24, 2013 (78 FR 63410), as an alternate test procedure to account for the energy consumption of its condensing-type direct heating equipment (DHE) models. DOE notes that only one of the basic model numbers submitted in the petition is a covered product subject to the test methods for vented home heating equipment. Today's notice also grants Empire an interim waiver from the DOE test procedure applicable to direct heating equipment for the one basic model number properly included in the petition, subject to use of the alternative test procedure set forth in this notice. DOE solicits comments, data, and information concerning Empire's petition and the suggested alternate test procedure.
