

Existing Fund of which any of the Substitution Applicants is an affiliated person will be effected in accordance with the conditions set forth in the Commission's no-action letter issued to *Signature Financial Group, Inc.* (available December 28, 1999).

4. The Section 17 Applicants submit that the In-Kind Transactions, as described in the application, meet the conditions set forth in Section 17(b) of the 1940 Act.

5. Section 17 Applicants maintain that the terms of the proposed in-kind purchase transactions, including the consideration to be paid and received by each Fund involved, are reasonable, fair and do not involve overreaching principally because the transactions will conform with all but one of the conditions (that the consideration paid for the securities being purchased or sold may not be entirely cash) enumerated in Rule 17a-7 of the 1940 Act. The proposed transactions will take place at relative net asset value in conformity with the requirements of Section 22(c) of the Act and Rule 22c-1 thereunder with no change in the amount of any Contract owner's contract value or death benefit or in the dollar value of his or her investment in any of the Separate Accounts. The Applicants assert that Contract owners will not suffer any adverse tax consequences as a result of the substitutions, and the fees and charges under the Contracts will not increase because of the substitutions.

6. The Boards of Trustees of MIST and Met Series Fund have adopted procedures, as required by paragraph (e)(1) of Rule 17a-7, pursuant to which the series of each may purchase and sell securities to and from their affiliates. The Section 17 Applicants assert they will carry out the proposed Insurance Company in-kind purchases in conformity with all of the conditions of Rule 17a-7 and each series' procedures thereunder, except that the consideration paid for the securities being purchased or sold may not be entirely cash. Nevertheless, the Substitution Applicants state that the circumstances surrounding the proposed Substitutions will be such as to offer the same degree of protection to each Replacement Fund from overreaching that Rule 17a-7 provides to them generally in connection with their purchase and sale of securities under that Rule in the ordinary course of their business. In particular, the Insurance Companies (or any of their affiliates) cannot effect the proposed transactions at a price that is disadvantageous to any of the Replacement Funds. Although the transactions may not be entirely for

cash, each will be effected based upon (1) the independent market price of the portfolio securities valued as specified in paragraph (b) of Rule 17a-7, and (2) the net asset value per share of each Fund involved valued in accordance with the procedures disclosed in its respective investment company registration statement and as required by Rule 22c-1 under the Act. No brokerage commission, fee, or other remuneration will be paid to any party in connection with the proposed in-kind purchase transactions.

7. The sale of shares of Replacement Funds for investment securities, as contemplated by the proposed Insurance Company in-kind purchases, is consistent with the investment policies and restrictions of the Investment Companies and the Replacement Funds because (1) the shares are sold at their net asset value, and (2) the portfolio securities are of the type and quality that the Replacement Funds would each have acquired with the proceeds from share sales had the shares been sold for cash. To assure that the second of these conditions is met, MetLife Advisers, LLC and the sub-adviser, as applicable, will examine the portfolio securities being offered to each Replacement Fund and accept only those securities as consideration for shares that it would have acquired for each such Fund in a cash transaction.

8. The Section 17 Applicants represent that the proposed in-kind purchases meet all of the requirements of Section 17(b) of the Act and that an exemption should be granted, to the extent necessary, from the provisions of Section 17(a).

Conclusion

Applicants assert that for the reasons summarized above that the proposed substitutions and related transactions meet the standards of Section 26(c) of the Act and are consistent with the standards of Section 17(b) of the Act and that the requested orders should be granted.

For the Commission, by the Division of Investment Management pursuant to delegated authority.

Kevin M. O'Neill,
Deputy Secretary.
