#### SUPPLEMENTARY INFORMATION:

##### Roundtable Discussions

In the Green Paper on Copyright Policy, Creativity, and Innovation in the Digital Economy (Green Paper), released on July 31, 2013, and in its subsequent request for public comments, 78 FR 61337 (October 3, 2013), the Task Force stated its intention to hold roundtable discussions on (1) the legal framework for the creation of remixes; (2) the relevance and scope of the first sale doctrine in the digital environment, and (3) the appropriate calibration of statutory damages in the contexts of (i) individual file sharers and (ii) secondary liability for large-scale infringement. See Request for Public Comments and Notice of Public Meeting, 78 FR 61337-38 (Oct. 3, 2013), available at [http://www.ntia.doc.gov/files/ntia/publications/ntia\\_pto\\_rfc\\_10032013.pdf](http://www.ntia.doc.gov/files/ntia/publications/ntia_pto_rfc_10032013.pdf).

On December 12, 2013, the Task Force held a day-long public meeting to discuss the issues identified for further work in the Green Paper, which included panel discussions on remixes, the first sale doctrine, and statutory damages, as well as other topics. The Task Force also sought written comments both prior to and after the December 12, 2013 meeting on these

subjects. An archive of the webcast of the public meeting is available at <http://new.livestream.com/uspto/copyright>, and a transcript is available at [http://www.uspto.gov/ip/global/copyrights/121213-USPTO-Green\\_Paper\\_Hearing-Transcript.pdf](http://www.uspto.gov/ip/global/copyrights/121213-USPTO-Green_Paper_Hearing-Transcript.pdf). Copies of the comments received are available at [http://www.uspto.gov/ip/global/copyrights/green\\_paper\\_public\\_comments.jsp](http://www.uspto.gov/ip/global/copyrights/green_paper_public_comments.jsp).

The purpose of the planned roundtables is to seek additional input from the public in order for the Task Force to have a complete and thorough record upon which to make recommendations.

Each of the scheduled roundtables will be divided into separate, consecutive, sessions addressing the following topics raised in the Green Paper: (1) The legal framework for the creation of remixes; (2) the relevance and scope of the first sale doctrine in the digital environment; and (3) the appropriate calibration of statutory damages in the contexts of (i) individual file sharers and (ii) secondary liability for large-scale infringement. Time will be reserved at the end of each session within each roundtable for observers and viewers to comment upon the topic discussed during the session. While the subject matter will be consistent across each of the four roundtables, the allotted time for each session may vary to accommodate the specific interests of the participants at each location. In order to maximize participation, no formal opening statements or presentations are expected.

The roundtables will focus on (1) the questions set out in the October 3rd **Federal Register** Notice, 78 FR at 61338–39, (2) the issues raised in the stakeholder comments filed both before and after the Dec. 12 meeting, and (3) points made at the December 12th public meeting. Individuals participating in the roundtables may be posed questions on any of these issues.
