Background

Section 4305(b) of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA–LU) [Pub. L. 109–59, 119 Stat. 1144, August 10, 2005] enacted 49 U.S.C. 14504a entitled “Unified carrier registration system plan and agreement.” Under the UCR Agreement, motor carriers, motor private carriers, brokers, freight forwarders, and leasing companies that are involved in interstate transportation register and pay certain fees. The UCR Plan’s Board of Directors must issue rules and regulations to govern the UCR Agreement. Section 14504a(a)(9) defines the Unified Carrier Registration Plan as the organization of State, Federal, and industry representatives responsible for developing, implementing, and administering the UCRA. Section 14504a(d)(1)(B) directed the Secretary to establish a Unified Carrier Registration Plan Board of Directors made up of 15 members from FMCSA, State governments, and the motor carrier industry. The Board also must recommend initial annual fees to be assessed against carriers, leasing companies, brokers, and freight forwarders under the UCRA, as well as any annual adjustments to those fees. Section 14504a(d)(1)(B) provides that the UCR Plan’s Board of Directors must consist of directors from the following groups:

Federal Motor Carrier Safety Administration: One director must be selected from each of the FMCSA four service areas (as defined by FMCSA on January 1, 2005) from among the chief administrative officers of the State agencies responsible for administering the UCRA.

State Agencies: The five directors selected to represent State agencies must be from among the professional staffs of State agencies responsible for overseeing the administration of the UCR Agreement.

Motor Carrier Industry: Five directors must be from the motor carrier industry. At least one of the five motor carrier industry directors must be from “a national trade association representing the general motor carrier of property industry” and one of them must be from “a motor carrier that falls within the smallest fleet fee bracket.”

U.S. Department of Transportation (the Department): One individual, either the FMCSA Deputy Administrator or such other Presidential appointee from the Department appointed by the Secretary, represents the Department.

The establishment of the Board was announced in the Federal Register on May 12, 2006 (71 FR 27777). In that notice, the Agency recognized the American Trucking Associations, Inc. (ATA) as the national trade association representing the general motor carrier of property industry. ATA is a national affiliation of State trucking organizations representing the national, State and local interests of the 50 affiliated State trucking associations; and the interests of specialized areas of the trucking industry through conferences and councils. The Agency selected the Owner-Operator Independent Drivers Association (OOIDA) as the organization from which to appoint an individual to represent motor carriers comprising the smallest fleet fee bracket. OOIDA is a national trade association representing the interests of small trucking companies and drivers.

Each of the four current directors from the chief administrative officers of the State agencies responsible for overseeing the administration of the UCR Agreement are serving terms that expire on May 31, 2013. These directors may continue to serve until their replacements are appointed; each of them may be reappointed (49 U.S.C. 14504a(d)(1)(D)(ii) and (iv)). Today’s publication serves as a notice requesting nominations for and public comment on possible appointment of the four members of the UCR Plan’s Board of Directors to be appointed from the chief administrative officers of the responsible State agencies in accordance with 49 U.S.C. 14504a(d).

Board Member Nominations

FMCSA seeks either nominations of, or expressions of interest from, individuals to serve as members of the board of directors for the UCR Plan from the responsible State agencies. Nominations or expressions of interest should indicate that the person nominated or recommended meets the statutory requirements specified in 49 U.S.C. 14504a(d)(1)(B)(i).

Nominations or expressions of interest must be transmitted by means of the procedures for comments specified earlier in this notice. FMCSA and the Department will make the appointments for the four members from the responsible State agencies for three-year terms, expiring on May 31, 2017.

Issued under the authority delegated in 49 CFR 1.87: March 18, 2014.

G. Kelly Leone,
Associate Administrator, Office of Research and Information Technology and Chief Information Officer.
