

19 of U.S. Patent No. 5,596,595 and that are manufactured abroad by or on behalf of, or imported by or on behalf of, respondents FCI USA, LLC and Mellanox Technologies, Inc.

The Commission has further determined that the public interest factors enumerated in section 337(d)(1) and (f)(1) (19 U.S.C. 1337(d)(1), (f)(1)) do not preclude issuance of the limited exclusion order. Finally, the Commission determined that Respondents are required to post a bond in the amount of 3 percent of the entered value of the products covered by the exclusion order and cease and desist orders during the period of Presidential review. The Commission's orders were delivered to the President and the United States Trade Representative on the day of their issuance.

The Commission has therefore terminated this investigation. The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and Part 210 of the Commission's Rules of Practice and Procedure (19 CFR Part 210).

By order of the Commission.

Issued: April 17, 2014.

Lisa R. Barton,

Acting Secretary to the Commission.
