Office of the Comptroller of the Currency

Agency Information Collection Activities: Information Collection Renewal; Comment Request; Community Reinvestment Act Regulations

AGENCY: Office of the Comptroller of the Currency (OCC), Treasury.

ACTION: Notice and request for comment.

SUMMARY: The OCC, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on a continuing information collection, as required by the Paperwork Reduction Act of 1995 (PRA).

Under the PRA, Federal agencies are required to publish a notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information and to allow 60 days for public comment in response to the notice.

In accordance with the requirements of the PRA, the OCC may not conduct or sponsor, and the respondent is not required to respond to, an information collection unless it displays a currently valid Office of Management and Budget (OMB) control number. The OCC is soliciting comment concerning its information collection titled, "Community Reinvestment Act Regulations."

DATES: Comments must be submitted on or before June 24, 2014.

ADDRESSES: Because paper mail in the Washington, DC area and at the OCC is

subject to delay, commenters are encouraged to submit comments by email if possible. Comments may be sent to: Legislative and Regulatory Activities Division, Office of the Comptroller of the Currency, Attention: 1557-0160, 400 7th Street SW., Suite 3E-218, Mail Stop 9W-11, Washington, DC 20219. SUPPLEMENTARY INFORMATION: Under the PRA (44 U.S.C. 3501-3520), Federal agencies must obtain approval from the OMB for each collection of information they conduct or sponsor. "Collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) to include agency requests or requirements that members of the public submit reports,

keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, the OCC is publishing a notice of the proposed collection of information set forth in this document.

The OCC is proposing to extend OMB approval of the following information collection:

Title: Community Reinvestment Act Regulations.

OMB Control Number: 1557-0160.

Description: The Community Reinvestment Act (CRA) requires the Federal banking agencies (Agencies) to assess the record of banks and savings associations in helping to meet the credit needs of their entire communities, including low- and moderate-income neighborhoods, consistent with safe and sound operations; and to take this record into account in evaluating applications for mergers, branches, and certain other corporate activities.¹ The CRA statute requires the Agencies to issue regulations to carry out its purposes.²

Each Agency must provide written CRA evaluations of the institutions they supervise. The public portion of each written evaluation must present the Agency's conclusions with respect to the CRA performance standards identified in its regulations; include the facts and data supporting those conclusions; and contain the

institution's CRA rating and the basis for that rating.

The data collection requirements in the CRA regulations are necessary for the Agencies to examine, assess, and assign a rating to an institution's CRA performance and to prepare the public section of the written CRA performance evaluation.

Type of Review: Regular review.

Affected Public: Businesses or other for-profit.

Estimated Number of Respondents: 1,693.

Estimated Total Annual Burden: 142,463 hours.

Comments: Comments submitted in response to this notice will be summarized and included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the OCC, including whether the information has practical utility;

(b) The accuracy of the OCC's estimate of the burden of the information collection;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

(d) Ways to minimize the burden of the collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

(e) Estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

Assistant Director, Legislative and Regulatory Activities Division.
