SUPPLEMENTARY INFORMATION: The Gulf of Mexico, South Atlantic, and Caribbean Fishery Management Councils, in conjunction with NOAA Fisheries and the Atlantic and Gulf States Marine Fisheries Commissions have implemented the Southeast Data, Assessment and Review (SEDAR) process, a multi-step method for determining the status of fish stocks in the Southeast Region. SEDAR is a three step process including: (1) Data Workshop; (2) Assessment Process utilizing webinars; and (3) Review Workshop. The product of the Data Workshop is a data report which compiles and evaluates potential datasets and recommends which datasets are appropriate for assessment analyses. The product of the Assessment Process is a stock assessment report which describes the fisheries, evaluates the status of the stock, estimates biological benchmarks, projects future population conditions, and recommends research and monitoring needs. The assessment is independently peer reviewed at the Review Workshop. The product of the Review Workshop is a Summary documenting panel opinions regarding the strengths and weaknesses of the stock assessment and input data. Participants for SEDAR Workshops are appointed by the Gulf of Mexico, South Atlantic, and Caribbean Fishery Management Councils and NOAA Fisheries Southeast Regional Office, HMS Management Division, and Southeast Fisheries Science Center. Participants include: Data collectors and database managers; stock assessment scientists, biologists, and researchers; constituency representatives including fishermen, environmentalists, and non-governmental organizations (NGOs); international experts; and staff of Councils, Commissions, and state and federal agencies.

The items of discussion in the Data Workshop agenda are as follows:

1. An assessment data set and associated documentation will be developed.
2. Participants will evaluate all available data and select appropriate sources for providing information on life history characteristics, catch statistics, discard estimates, length and age composition, and fishery dependent and fishery independent measures of stock abundance, as specified in the Terms of Reference for the workshop.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those

issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically identified in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the intent to take final action to address the emergency.

Office of the Secretary

Renewal of Department of Defense Federal Advisory Committees

AGENCY: DoD.

ACTION: Renewal of Federal Advisory Committee.

SUMMARY: The Department of Defense is publishing this notice to announce that

it is renewing the charter for the Air University Board of Visitors ("the Board").

FOR FURTHER INFORMATION CONTACT: Jim Freeman, Advisory Committee Management Officer for the Department of Defense, 703-692-5952.

SUPPLEMENTARY INFORMATION: This committee's charter is being renewed under the provisions of the Federal Advisory Committee Act of 1972 (5 U.S.C. Appendix, as amended), the Government in the Sunshine Act of 1976 (5 U.S.C. 552b) ("the Sunshine Act"), and 41 CFR 102-3.50(d).

The Board is a discretionary Federal advisory committee that shall provide the Secretary of Defense, through the Secretary of the Air Force, with independent advice and recommendations on educational, doctrinal, and research policies and activities of the Air University ("the University"). The Board shall:

a. Review and evaluate progress of the educational programs and the support activities of the University;

b. Review and evaluate the published statement of purpose, institutional policies, and financial resources of the University; and

c. Review and evaluate the educational effectiveness, quality of student learning, administrative and educational support services, and teaching, research, and public service of the University.

The Board shall report to the Secretary of the Air Force through the Commander and President of the University. The Secretary of the Air Force may act upon the Board's advice and recommendations.

The Department of Defense (DoD), through the Department of the Air Force, shall provide support as deemed necessary for the Board's performance, and shall ensure compliance with the requirements of the FACA, the Government in the Sunshine Act of 1976 (5 U.S.C. 552b, as amended) ("the Sunshine Act"), governing Federal statutes and regulations, and governing DoD policies and procedures.

The Board shall be comprised of no more than 15 members appointed by the Secretary of Defense who are eminent authorities in the field of air power, defense, management, leadership, and academia.

The Secretary of Defense authorizes the Secretary of the Air Force to appoint the Board's Chair from among the membership approved by the Secretary of Defense or Deputy Secretary of Defense, and this authority may be further delegated in writing but no

lower than to the Commander and President of the Air University.

The Board members will be appointed by the Secretary of Defense or the Deputy Secretary of Defense for a term of service of one-to-four years and their appointments will be renewed on an annual basis in accordance with DoD policies and procedures. Those members, who are not full-time or permanent part-time Federal employees, shall be appointed as experts and consultants under the authority of 5 U.S.C. 3109 to serve as special government employee (SGE) members. Board members who are full-time or permanent part-time Federal employees will serve as regular government employee (RGE) members. In addition, all Board members, with the exception of reimbursement for official Board-related travel and per diem, shall serve without compensation.

No member, unless authorized by the Secretary of Defense, may serve more than two consecutive terms of service on the Board, to include its subcommittees, or serve on more than two DoD Federal advisory committees at one time.

Each Board member is appointed to provide advice on behalf of the government on the basis of his or her best judgment without representing any particular point of view and in a manner that is free from conflict of interest.

The DoD, when necessary and consistent with the Board's mission and DoD policies and procedures, may establish subcommittees, task forces, or working groups to support the Board. Establishment of subcommittees will be based upon a written determination, to include terms of reference, by the Secretary of Defense, the Deputy Secretary of Defense, or the Secretary of the Air Force, as the Board's sponsor.

Subcommittees shall not work independently of the Board, and shall report all their recommendations and advice solely to the Board for full deliberation and discussion. All subcommittee members shall be appointed in the same manner as the Board members; that is, the Secretary of Defense or the Deputy Secretary of Defense shall appoint subcommittee members to a term of service of one-to-four years with annual renewals, even if the member in question is already a Board member.
