

promote appreciation, understanding, and enjoyment of those resources. Visitors would have the opportunity to explore locally the wide variety of experiences that are associated with many different types of units of the National Park System. All other resources would be managed to complement the nationally significant resources and associated visitor experiences. Alternative 3 is the “agency-preferred” alternative for Alcatraz Island and Muir Woods National Monument.

Alternative 1 is the “environmentally preferred” course of action for lands in Marin, San Francisco, and San Mateo Counties. Alternative 3 is “environmentally preferred” for Muir Woods National Monument and Alcatraz Island.
