#### SUPPLEMENTARY INFORMATION:

##### I. Background

ODEP is committed to increasing  
employment opportunities for youth  
and adult with disabilities, with a focus  
on employment that is truly integrated  
and supports individuals moving from  
poverty to economic self-sufficiency. In  
its 12 years of operation, ODEP has  
influenced the workforce development  
system, as well as the disability field  
with the introduction of customized  
employment, flexible workplace  
approaches, and universal strategies for  
workforce development, among other  
innovative initiatives. Building on this  
history of innovation, ODEP launched  
an Employment First (EF) technical  
assistance initiative to provide States  
with technical assistance to facilitate the  
use of integrated employment. This is  
accomplished by removing barriers at  
State and local levels to the placement  
of individuals with disabilities in  
integrated employment and promoting  
policy changes to make integrated

employment the first option for youth and adults with significant disabilities.

ODEP launched the Employment First Leadership State Mentoring Program (EFLSMP) to assist States in developing and implementing EF policies. Thirty States started to participate in technical assistance sessions and discussions on a number of topics related to implementing, assessing, and disseminating information regarding EF policies via an online Community of Practice (CoP). The CoP sessions started in the fall of 2012 and will run monthly until the spring of 2014 via the portal ePolicyWorks.

Promoting and disseminating EF practices and strategies is a critical step toward addressing the persistent problem of low participation rates of individuals with disabilities in the workforce and fulfilling the promise of full integration. As a multitude of local, State, and Federal agencies are involved in making the adoption and implementation of EF strategies a success, initiatives to align policies, regulations, and funding are needed. Technical assistance provided through the EFLSMP provides participating States with information on how to restructure funding patterns, support collaboration, build staff capacity, and ultimately increase competitive, integrated employment outcomes for individuals with disabilities. ODEP's EF initiative is innovative in its inclusion of a variety of State partners, including:

1. Department of Rehabilitation Services;
2. Department of Mental Health;
3. Department Intellectual and Developmental Disabilities;
4. Workforce Development System;
5. Department of Education (Special Education Division); and
6. Medicaid agencies.

This data collection is also designed to gauge the effectiveness of ODEP's efforts to promote the implementation of EF policies and practices and determine how well remote training and online forums facilitate the implementation of EF activities in each participating state. Findings from this census of participating CoP states also will provide the DOL with important information for strategic planning, program replication, and development of disability employment policies, approaches, and practices.

## LEGAL SERVICES CORPORATION

### Notice of Proposed Revisions for the LSC Grant Assurances for Calendar Year 2015 Funding

**AGENCY:** Legal Services Corporation.

**ACTION:** Notice of proposed changes and request for comments.

**SUMMARY:** The Legal Services Corporation (“LSC”) intends to revise the LSC Grant Assurances for calendar year 2015 funding and is soliciting public comment on the proposed changes. The proposed revisions affect Grant Assurances 8, 9, 10, 11, 15, and 16. The proposed LSC grant assurances for calendar year 2015 funding, in redline format indicating the proposed changes to the current “LSC 2014 Grant Assurances,” are available at <http://grants.lsc.gov/sites/default/files/Grants/ReferenceMaterials/2015-GrantAssurances-Proposed.pdf>.

**DATES:** All comments and recommendations must be received on or before the close of business on May 30, 2014.

**ADDRESSES:** Written comments may be submitted by mail, email, or fax to Reginald J. Haley, Office of Program Performance, Legal Services Corporation, 3333 K Street NW., Washington, DC 20007; [LSCGrantAssurances@lsc.gov](mailto:LSCGrantAssurances@lsc.gov); or (202) 337-6813 (fax). Comments may also be submitted online at <http://www.lsc.gov/contact-us>.

**FOR FURTHER INFORMATION CONTACT:** Reginald J. Haley, [haleyrl@lsc.gov](mailto:haleyrl@lsc.gov), (202) 295-1545.

**SUPPLEMENTARY INFORMATION:** The purpose of the LSC grant assurances is to delineate the rights and responsibilities of LSC and the recipient pursuant to the provisions of the grant. As a grant making agency created by Congress, LSC has grant assurances that are intended to reiterate and/or clarify the responsibilities and obligations already applicable through existing law and regulations and/or obligate the recipient to comply with specific additional requirements in order to effectuate the purposes of the Legal Services Corporation Act, as amended, and other applicable law. A summary of the changes proposed follows.

Grant Assurance #8 requires LSC recipients to have an information security system, the capacity to conduct program-wide conflicts checking, a system for backing up program data, the capacity to digitally transmit data to LSC, and appropriate computer hardware and software for casehandlers. The proposed change is a technical edit in the last sentence of grant assurance #8, paragraph (e).

Grant Assurance #9 requires LSC recipients to work with other LSC and non-LSC funded legal services providers in the state to ensure that there is a statewide Web site that publishes a full range of legal information covering the common issues facing the client community. The proposed changes to the grant assurance requires LSC recipients to notify site visitors that LSC recipients' participation in the Web site is consistent with LSC restrictions and provides recipients with sample disclaimer language to that effect.

Grant Assurance #10 requires LSC recipients to give LSC and the U.S. Comptroller General access to records they are entitled to under the provisions of the LSC Act and other applicable law. The proposed change to the grant assurance requires LSC recipients to provide access to records in accordance with Federal law. The proposed change results from the recent decision of the Court of Appeals for the District of Columbia Circuit in *U.S. v. Cal. Rural Legal Assistance*, 722 F.3d 424. In that
