This Notice is soliciting comments from members of the public and affected agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information; (3) Enhance the quality, utility, and clarity of the information to be collected; and (4) Minimize the burden of the collection of information on those who are to respond; including the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

This Notice also lists the following information:

Title of Proposal: Record of Employee Interview.

OMB Control Number, if applicable: 2501–0009.

Description of the need for the information and proposed use:
The information is used by HUD and agencies administering HUD programs to collect information from laborers and mechanics employed on projects subjected to the Federal Labor Standards provisions. The information collected is compared to information submitted by the respective employer on certified payroll reports. The comparison tests the accuracy of the employer’s payroll data and may disclose violations. Generally, these activities are geared to the respondent’s benefit that is to determine whether the respondent was underpaid and to ensure the payment of wage restitution to the respondent.
