A. Overview of Information Collection

Title of Information Collection: Focus Groups about the Housing Search Process for Lesbian, Gay, Bisexual and Transgender (LGBT) People.

OMB Approval Number: 2528-New.

Type of Request: New collection.

Form Number: None.

Description of the need for the information and proposed use: The Department is conducting this study as part of a larger effort to study housing discrimination. As part of that research, the Department would like to learn more about the process that people use to search for housing. Specifically, we are interested in the manner in which people identify themselves as lesbian, gay, or transgender when searching for rental housing. The full project is to conduct in-person testing for lesbian and gay people in at least two major metropolitan rental markets and transgender people in at least one market. The study will use paired testing methods to measure disparate treatment.

Respondents (i.e. affected public):

Potential renters who are LGBT persons (four focus groups of 15 people each) Up to 60.
 Potential renters who are heterosexual, for comparison purposes Up to 15.

Estimation of the total number of respondents, frequency of response, and hours needed to prepare the information collection including number of hours of response:

Instrument	Number of respondents	Number responses per respondent	Average burden/response (in hours)	Total burden hours
Informed Consent Form (ICF)	75	1	Up to 15 minutes (or .25 hours)	18.75
Participation in focus group	75	1	120 minutes (2 hours)	150
