

Commission's mandate under the Exchange Act to prevent fraudulent, manipulative, and deceptive acts and practices by broker-dealers.

The Commission estimates that there are approximately 50 respondents that require an aggregate total of 600 hours to comply with Rule 15c2-5. Each of these approximately 50 registered broker-dealers makes an estimated six annual responses, for an aggregate total of 300 responses per year. Each response takes approximately two hours to complete. Thus, the total compliance burden per year is 600 burden hours. The approximate cost per hour is \$53.00 for clerical labor, resulting in a total internal compliance cost of \$31,800 (600 hours @ \$53.00 per hour). These reflect internal labor costs; there are no external labor, capital, or start-up costs.

Although Rule 15c2-5 does not specify a retention period or record-keeping requirement under the rule, broker-dealers are required to preserve the records for a period no less than six years pursuant to Rule 17a-4(c). The information required under Rule 15c2-5 is necessary for broker-dealers to engage in the lending activities prescribed in the Rule. Rule 15c2-5 does not assure confidentiality for the information retained under the rule.¹

Rule 22d-1. OMB Control No.: 3235-0310, SEC File No. 270-275.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 ("Paperwork Reduction Act") (44 U.S.C. 3501-3520), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget ("OMB") a request for extension of the previously approved collection of information discussed below.

Rule 22d-1 (17 CFR 270.22d-1) under the Investment Company Act of 1940 (the "1940 Act") (15 U.S.C. 80a *et seq.*) provides registered investment companies that issue redeemable securities ("funds") an exemption from section 22(d) of the 1940 Act (15 U.S.C. 80a-22(d)) to the extent necessary to permit scheduled variations in or elimination of the sales load on fund securities for particular classes of investors or transactions, provided certain conditions are met. The rule imposes an annual burden per series of a fund of approximately 15 minutes, so that the total annual burden for the approximately 4714 series of funds that might rely on the rule is estimated to be 1178.5 hours.

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act. The estimate is based on communications with industry representatives, and is not derived from a comprehensive or even a representative survey or study.

Responses will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.
