

1320.8(d)(1), 1320.12. On March 4, 2013, FRA published a 60-day notice in the **Federal Register** soliciting comment on ICR that the agency is seeking OMB approval. See 79 FR 12263. FRA received no comments in response to this notice.

Before OMB decides whether to approve these proposed collections of information, it must provide 30 days for public comment. 44 U.S.C. 3507(b); 5 CFR 1320.12(d). Federal law requires OMB to approve or disapprove paperwork packages between 30 and 60 days after the 30 day notice is published. 44 U.S.C. 3507 (b)–(c); 5 CFR 1320.12(d); see also 60 FR 44978, 44983, Aug. 29, 1995. OMB believes that the 30 day notice informs the regulated community to file relevant comments and affords the agency adequate time to digest public comments before it renders a decision. 60 FR 44983, Aug. 29, 1995. Therefore, respondents should submit their respective comments to OMB within 30 days of publication to best ensure having their full effect. 5 CFR 1320.12(c); see also 60 FR 44983, Aug. 29, 1995.

The summary below describes the nature of the information collection request (ICR) and the expected burden. The revised request is being submitted for clearance by OMB as required by the PRA.

Title: Railroad Safety Appliance Standards (Miscellaneous Revisions).

OMB Control Number: 2130–0594.

Abstract: FRA amended the regulations related to safety appliance arrangements on railroad equipment on April 28, 2011. See 76 FR 23714. The amendments are intended to promote the safe placement and securement of safety appliances on modern rail equipment by establishing a process for the review and approval of existing industry standards. This process permits railroad industry representatives to submit requests for the approval of existing industry standards relating to the safety appliance arrangements on newly constructed railroad cars, locomotives, tenders, or other rail vehicles in lieu of the specific provisions currently contained in part 231. It is anticipated that this special approval process enhances railroad safety by allowing FRA to consider technological advancements and ergonomic design standards for new car construction and ensuring that modern rail equipment complies with the applicable statutory and safety-critical regulatory requirements related to safety appliances while also providing the flexibility to efficiently address safety appliance requirements on new designs

in the future for railroad cars, locomotives, tenders, or other rail vehicles. The information collected under this regulation is used by FRA to better serve the goal of adapting to changes in modern rail car design while also facilitating statutory and regulatory compliance.

Type of Request: Revision of a currently approved information collection.

Affected Public: Businesses (Railroads).

Form(s): N/A.

Annual Estimated Burden: 52,518 hours.

Addressee: Send comments regarding this information collections to the Office of Information and Regulatory Affairs, Office of Management and Budget, 725 Seventeenth Street NW., Washington, DC, 20503, Attention: FRA Desk Officer. Comments may also be sent via email to OMB at the following address: [oir_submissions@omb.eop.gov](mailto:oir-submissions@omb.eop.gov).

Comments are invited on the following: Whether the proposed collections of information are necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; the accuracy of the Department's estimates of the burden of the proposed information collections; ways to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the burden of the collections of information on respondents, including the use of automated collection techniques or other forms of information technology.

A comment to OMB is best assured of having its full effect if OMB receives it within 30 days of publication of this notice in the **Federal Register**.

Authority: 44 U.S.C. 3501–3520.

Issued in Washington, DC, on May 13, 2014.

OMB Control Number: 2900–0028.

Type of Review: Revision of a currently approved collection.

a. *Abstract:* VA operates an outreach services program to ensure Veterans and beneficiaries have information about benefits and services to which they may be entitled. To support the program, VA distributes copies of publications to Veterans Service Organizations' representatives to be used in rendering services and representation of Veterans, their spouses and dependents. Service organizations complete VA Form 3215 to request placement on a mailing list for specific VA publications.

b. Veterans or beneficiaries complete VA Form 3288 to provide VA with a written consent to release his or her records or information to third parties such as insurance companies, physicians and other individuals.

c. VA Form Letter 70–2 is used to obtain additional information from a correspondent when the incoming correspondence does not provide sufficient information to identify a Veteran. VA personnel use the information to identify the Veteran, determine the location of a specific file, and to accomplish the action requested by the correspondent such as processing a benefit claim or file material in the individual's claims folder.

d. Title 38 U.S.C. 5701(f)(1) authorized the disclosure of names or addresses, or both of present or former members of the Armed Forces and/or their beneficiaries to nonprofit organizations (including members of Congress) to notify Veterans of Title 38 benefits and to provide assistance to Veterans in obtaining these benefits. This release includes VA's Outreach Program for the purpose of advising Veterans of non-VA Federal State and local benefits and programs.
