Animal and Plant Health Inspection Service

Title: Importation of French Beans and Runner Beans from the Republic of Kenya into the United States.

OMB control number: 0579-0373.

Summary of Collection: The Plant Protection Act (7 U.S.C. 7701 *et seq.*), authorizes the Secretary of Agriculture to restrict the importation, entry, or interstate movement of plants, plant products and other articles to prevent the introduction of plant pests into the United States or their dissemination within the United States. The regulations in "Subpart—Fruits and Vegetables" (7 CFR 319.56-1 through 319.56-59), prohibit or restrict the importation of fruits and vegetables into the United States from certain parts of the world to prevent the introduction and dissemination of plant pests that are new to or not widely distributed within the United States. The regulations allow the importation of French beans and runner beans from the Republic of Kenya into the United States. As a condition of entry, both commodities would have to be produced in accordance with a systems approach that would include requirements for packing, washing, and processing.

Need and Use of the Information: The Animal and Plant Health Inspection Service will use the following activities to collect information: Phytosanitary Certificate, Registration of Packing Houses and Marking of Boxes. Use of these information collection activities would allow for the importation of French beans and runner beans from the Republic of Kenya into the United States while continuing the protection against the introduction of quarantine pests.

Description of Respondents: Business or other for-profit; Federal Government.

Number of Respondents: 2.

Frequency of Responses: Reporting: On occasion.
