Federal Funding Accountability and Transparency Act. All applicants, in accordance with 2 CFR Part 25, must have a Dun and Bradstreet Data Universal Number System (DUNS) number, which can be obtained at no cost via a toll-free request line at 1-866-705-5711 or online at <http://fedgov.dnb.com/webform>. Similarly, all applicants for grants must be registered in the System for Award Management (SAM) prior to submitting an application. Applicants may register for the SAM at <http://www.sam.gov>. Applications that remain unfunded after four quarterly reviews, including the initial quarter in which the application was competed, will not be considered further for an award.

V. Application Review Information

Awards under this Notice will be made on a competitive basis each

Federal fiscal quarter. Each application received in the USDA Rural Development State Office will be reviewed, scored, and ranked to determine if it is consistent with the program requirements. Applications will be scored based on the applicable scoring criteria contained in 7 CFR 4280.316. Failure to address any of the applicable scoring criteria will result in a zero-point score for that section. An application must receive at least 70 points to be considered for funding in the quarter in which it is scored.

VI. Subsequent Annual Microlender Technical Assistance Grants

In accordance with 7 CFR 4280–D, section 4280.313(b)(2), “Microlender Technical Assistance (TA) grants will be limited to an amount equal to not more than 25 percent of the total outstanding balance of microloans made under this program and active by the microlender as of the date the grant is awarded for the first \$400,000 plus an additional 5 percent of the loan amount owed by the microborrowers to the lender under this program over \$400,000 up to and including \$2.5 million. Funds cannot be used to pay off the loans. Any grant dollars obligated, but not spent, from the initial grant, will be subtracted from the subsequent year grant to ensure that obligations cover only microloans made and active.”

To determine the Microlender TA Grant awards for FY 2014, the Agency will use the Microlender’s outstanding balance of microloans as of June 30, 2014, to calculate this amount. MDO’s that are eligible for an annual grant may apply.

Awards will be determined non-competitively based on Agency appropriations for the fiscal year. The MDO must submit a prescribed worksheet listing the outstanding balance of their microloans and unexpended grant funds as of the date of their request and a letter certifying that their organization still meets all the requirements set forth in 7 CFR 4280 and that no significant changes have occurred within the last year that would affect its ability to carry out their MDO functions. In addition, all MDOs who request Subsequent Annual Microlender Technical Assistance Grants must complete their reporting into the Lenders Interactive Network Connection (LINC) for the Federal fiscal quarter ending June 30, 2014. The deadline for reporting into LINC and requesting TA grant is no later than 4:30 p.m. (local time) on July 31, 2014.

VII. Award Administration Information

Successful applicants will receive notification for funding from the USDA Rural Development State Office. Applicants must comply with all applicable statutes and regulations before the award will be approved. Unsuccessful applications will receive notification by mail.
